

TSR PICATINNY SCOPE RINGS - TPS PRODUCTS 35MM HIGH (1.435) ALUMINUM RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Super Holding Power, Precision Alignment

TSR Series Rings, precisely machined from an aluminum billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Mil-STD 1913 (Picatinny) bases.

Attributes

- Name: [TPS PRODUCTS 35MM HIGH \(1.435 \) ALUMINUM RINGS](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100036966
- Mfr. No.: 30797
- Finish: Matte Blue
- Height: 1.435"
- Material: Aluminum
- Scope Tube Diameter: 35mm
- Size: High
- Style: Tactical Rings
- Delivery weight: 0.181kg
- Shipping height: 64mm
- Shipping width: 64mm
- Shipping length: 127mm
- UPC: 071611307970

TSR Picatinny Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the TSR Picatinny Scope Rings by TPS Products. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope rings. Please read this document carefully to understand how to avoid potential hazards and ensure optimal performance.

General Safety Guidelines

- **Product Safety:** Always ensure the safe use of the TSR Picatinny Scope Rings as per the instructions provided. These rings are designed for use with scopes and should not be used for any other purpose.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized recall notices. Please follow the instructions provided for safe return or remedy.
- **Online Shopping Protections:** If purchased online, ensure that the platform complies with safety requirements equivalent to physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around children or vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact information provided in the product packaging.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid OverTightening:** Do not overtighten the screws as this may damage the scope or rings.
- **Check Compatibility:** Ensure that the scope rings are compatible with your scope and firearm.
- **Inspect Regularly:** Regularly inspect the rings for any signs of wear or damage. Replace if necessary.
- **Avoid Extreme Conditions:** Do not expose the scope rings to extreme temperatures or corrosive environments.
- **Secure Mounting:** Make sure the rings are securely mounted to prevent any movement during use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench, screwdriver, and cleaning cloth.
- Ensure that the firearm is unloaded and in a safe condition before proceeding.

2. Installation:

- Place the base of the scope rings on the Picatinny rail.
- Align the rings with the appropriate mounting points on the rail.
- Use the provided screws to attach the rings to the rail.
- Tighten the screws using a torque wrench to the recommended settings (as per manufacturer specifications).

3. Mounting the Scope:

- Place the scope into the rings.
- Use the fourscrew cap to secure the scope. Tighten the left side first, followed by the right side to avoid rotating the scope.
- Check that the reticle is aligned properly before final tightening.

4. **Final Inspection:**

- Ensure all screws are tightened securely.
- Check that the scope is stable and does not move when adjusted.

Disposal Instructions

- **Dispose Responsibly:** When the product has reached the end of its life, dispose of it in accordance with local regulations for aluminum and electronic waste.
- **Recycling:** Consider recycling the aluminum components to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the TSR Picatinny Scope Rings, please refer to the contact information provided in the product packaging. Your safety and satisfaction are our top priorities.

By following these guidelines, you can ensure safe and effective use of your TSR Picatinny Scope Rings. Thank you for your attention to these important safety instructions.
