

# TSR-W PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS 34MM HIGH (1.435 ) ALUMINUM RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

TSR "W" Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-style or Mil-STD 1913 (Picatinny) bases.

# Safety Instruction Guide for TSRW Picatinny/Weaver Scope Rings

## Introduction

Thank you for choosing the TSRW Picatinny/Weaver Scope Rings from TPS Products. These rings are designed to securely hold your scope in place, ensuring optimal performance and safety during use. This safety instruction guide provides essential information to help you use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the scope rings for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all installation and usage instructions carefully to avoid accidents.
- In case of any doubts or issues, consult a professional or contact customer support.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may cause the scope to become loose or misaligned.
- Overtightening the screws may damage the scope or the rings.
- Using the scope rings with incompatible bases may lead to failure.

### • Instructions to Avoid Hazards:

- Always use the correct tools for installation.
- Do not exceed the recommended torque settings when tightening screws.
- Ensure compatibility with your scope and mounting base before use.
- Avoid using the scope rings in extreme conditions that may affect performance.

### • Warnings:

- This product is not intended for use by children. Keep it stored safely away from their reach.
- If you notice any unusual behavior from your scope or rings, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that your scope and base are clean and free from debris.

### 2. Installation Steps:

- Align the scope rings with the mounting base (either Picatinny or Weaver).
- Place the scope into the rings and adjust for proper eye relief.
- Tighten the screws on the left side of the cap first, followed by the right side to prevent rotation of the scope.
- Use a torque wrench to apply the recommended torque settings, ensuring that the rings are

securely fastened.

### **3. Usage:**

- Regularly check the tightness of the screws, especially after heavy use or transportation.
- Avoid dropping or mishandling the scope to maintain its integrity.

## **Disposal Instructions**

- Dispose of the product according to local regulations for aluminum and steel materials.
- Do not dispose of the product in general household waste.
- If you are unsure of the disposal methods, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please reach out to the appropriate EUbased contact or customer support service.

By following these safety instructions, you can ensure a safe and enjoyable experience with your TSRW Picatinny/Weaver Scope Rings. Thank you for your attention to safety and compliance.
