Safety Instruction Guide for AR15 M4E1 Lower Bolt Catch Pin

Introduction

Thank you for choosing the AR15 M4E1 Lower Bolt Catch Pin by Aero Precision. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- This product is designed to be used exclusively with Aero Precision's M4E1 Lower Receiver.
- Do not attempt to use this bolt catch pin with the M5 Lower Receiver or AR15 Gen 2 Lower Receivers.
- Ensure that the product is stored in a safe location away from children and vulnerable individuals.
- Inspect the product for any signs of damage or wear before use. Do not use if damaged.
- Always follow local laws and regulations regarding firearm parts and accessories.

Specific Safety Precautions for Use

- Only use the bolt catch pin as intended. Misuse can lead to injury or malfunction of the firearm.
- When handling the bolt catch pin, wear appropriate safety gear, such as safety glasses, to protect against accidental injury.
- Keep fingers clear of moving parts when installing or removing the bolt catch pin to avoid pinching or injury.
- Ensure that the firearm is unloaded and pointed in a safe direction before performing any installation or maintenance.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your workspace is clean and organized.
- Gather all necessary tools, including a punch tool suitable for installing roll pins.

2. Installation Steps:

- Verify that the firearm is unloaded and safe.
- Remove the existing bolt catch pin if applicable.
- Align the new bolt catch pin with the designated hole on the M4E1 Lower Receiver.
- Using the punch tool, gently tap the bolt catch pin into place until it is securely seated. Avoid excessive force that could damage the receiver.
- Check that the bolt catch functions correctly after installation.

3. PostInstallation:

- Conduct a function check to ensure that the bolt catch operates as intended.
- Store any unused components in a safe location.

Disposal Instructions

- Dispose of any damaged or unused parts in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for proper disposal methods.
