Safety Instruction Guide for Triumph Systems Visual Vital Splatter Targets 5Pack

Introduction

Thank you for choosing the Triumph Systems Visual Vital Splatter Targets 5Pack. This product is designed to enhance your shooting experience with its innovative features. To ensure your safety and the safety of others while using this product, please read and follow the safety guidelines outlined in this document.

General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the shooting environment is safe and secure, with a proper backstop to prevent bullets from escaping the range.
- Only use the splatter targets as intended; do not modify them or use them in any way that is not specified in this guide.
- Keep the targets out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the targets for damage and replace them if they show signs of wear or tear.

Specific Safety Precautions for Use

- Ensure that all participants are wearing appropriate eye and ear protection while shooting.
- Always ensure that the shooting area is clear of bystanders before firing.
- Do not use the targets if they are damaged or if the adhesive stickers are not sticking properly.
- Be aware of your surroundings and ensure that no people, animals, or property are in the line of fire.
- Do not attempt to retrieve arrows, bullets, or projectiles from the targets until you are sure it is safe to do so.

Instructions for Installation and Usage

1. Setting Up the Targets:

- Choose a safe location for shooting, ensuring a proper backstop is in place.
- Unpack the targets from the 5pack and lay them flat on a clean surface.
- If using adhesive splatter stickers, peel them from the backing and apply them over the designated shooting zones on the paper target.

2. Using the Targets:

- Position the target at a safe distance based on your shooting ability and the type of firearm being used.
- Ensure the target is secured in place and will not fall during shooting.
- Begin shooting at the target, aiming for the designated zones.

3. After Shooting:

- Once shooting is complete, carefully inspect the target for holes and damage.
- Use the splatter target pasties to cover the holes if desired, enhancing visibility for future shooting sessions.

Disposal Instructions

- Dispose of used paper targets and adhesive stickers in accordance with local waste disposal regulations.
- Do not burn the targets or stickers, as they may release harmful fumes.
- Ensure that all waste is disposed of in a manner that is safe for the environment.
