# Safety Instructions for Triumph Systems Visual Vital Splatter Targets 5Pack

## Introduction

Thank you for choosing the Triumph Systems Visual Vital Splatter Targets. This guide provides important safety instructions and information to ensure the safe use of your splatter targets. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure that the product is used in a safe environment, away from children and unauthorized individuals.
- Always follow local laws and regulations regarding the use of firearms and shooting targets.
- Inspect the targets for any damage before use. Do not use damaged targets.
- Store the targets in a cool, dry place to maintain their quality and effectiveness.
- Be aware of your surroundings when shooting to prevent accidents and injuries.

## Specific Safety Precautions for Use

- The targets are designed for use with airsoft guns, BB guns, and firearms. Ensure that you are using the appropriate type of projectile for the target.
- Always wear appropriate eye protection when shooting to protect against debris and splatter.
- Do not shoot at targets that are not securely positioned. Ensure they are stable and cannot fall or move during use.
- Avoid shooting at targets in high winds or adverse weather conditions that may affect accuracy and safety.
- Keep a safe distance from the target area and ensure that only authorized individuals are present during shooting activities.

## Instructions for Installation and Usage

### 1. Setup:

- Choose a suitable location for target practice, ensuring it is safe and legal.
- Use the adhesive splatter stickers to cover the designated shooting zones on the paper target.
- Securely attach the target to a stable backing, such as a cardboard or wooden board, to prevent movement during shooting.

### 2. Shooting:

- Position yourself at a safe distance from the target, as recommended for your specific shooting activity.
- Aim carefully and take your shot, observing the target for splatter reactions.
- After shooting, use the splatter target pasties to cover the holes created by your shots for continued use.

### 3. PostShooting:

- After your shooting session, carefully remove the target from its backing.
- Dispose of any used targets and stickers following local waste disposal regulations.

## **Disposal Instructions**

- Dispose of used targets and stickers in accordance with local waste management guidelines.
- Do not burn the targets or stickers, as this may release harmful substances.
- Ensure all disposed materials are kept out of reach of children and pets.
