Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always handle firearms responsibly and according to local laws and regulations.
- Use this target only in designated shooting areas.
- Ensure that all bystanders are at a safe distance when shooting.
- Regularly inspect the target for damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the target only with appropriate firearms and ammunition.
- Ensure the adhesive surface is clean and free of debris before application.
- Do not use the target if it shows signs of wear or damage.
- Keep the target out of reach of children and pets.
- Use appropriate eye and ear protection when shooting.
- Avoid shooting at the target in adverse weather conditions (e.g., high winds, rain).

Instructions for Installation and Usage

1. Preparation:

- Choose a flat, clean surface for the target application.
- Ensure the area is safe for shooting, with a proper backstop.

2. Application:

- Peel the backing off the adhesive side of the target.
- Carefully apply the target to a cardboard back or other silhouette targets.
- Smooth out any air bubbles to ensure full adhesion.

3. Sighting:

- Use the 1inch grids on the target to assist in sighting in your firearm.
- Position yourself at a safe distance from the target.

4. Shooting:

- Follow all safety protocols when handling and firing your firearm.
- After shooting, assess your shots and record your scores as needed.

5. PostShooting:

- Remove the target from the backing material if necessary.
- Dispose of any used targets and pasties in accordance with local waste disposal regulations.

Disposal Instructions

- Dispose of the target and any adhesive pasties in regular waste unless otherwise specified by local regulations.
- Do not burn the target or pasties, as they may release harmful substances.
