## A Takedown Chassis Designed for the Ruger PC Carbine Takedown

Designed for use with the new Ruger PC Carbine Takedown model, Midwest Industries developed a special chassis that enhances the durability of the PC Carbine while retaining several of the desirable features of the carbine. The Midwest Industries Ruger PC Carbine Takedown Chassis allows for easy user installation and retains the ability to use the factory iron sights on the gun. The chassis also allows easy access to the changeable magazine well, and the chassis features a six-position stock tube along with a waterproof storage compartment. Without the user-installed stock or grip, the chassis weighs in at a scant 1 pound, 11 ounces. Made entirely in the USA, the Midwest Industries Ruger PC Carbine Takedown Chassis is machined from 6061 aluminum and features a hard-coat anodized finish and two anti-rotation QD sling sockets. All the tools and mounting hardware required for installation are included with the stock.

## Attributes

- Name: [MIDWEST INDUSTRIES RUGER PC CARBINE TAKEDOWN CHASSIS 9/40 CAL BLACK](#)
- Manufacturer: [MIDWEST INDUSTRIES](#)
- Product no.: 100036997

# Safety Instruction Guide for RUGER® PC CARBINE™ TAKEDOWN CHASSIS 9/40 CAL

## Introduction

Congratulations on your purchase of the RUGER® PC CARBINE™ Takedown Chassis from Midwest Industries. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. It is designed to comply with the EU General Product Safety Regulation (GPSR) and aims to protect consumers by providing clear and comprehensive safety guidelines.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is used for its intended purpose only.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear.
- If the product is damaged, discontinue use immediately and seek assistance.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recall updates on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the chassis is securely attached to the Ruger PC Carbine before use.
- Always handle firearms with care and follow all firearm safety rules.
- Do not exceed the manufacturer's recommended specifications for weight and usage.
- Be aware of your surroundings when using the product to avoid accidents.
- Use proper eye and ear protection when operating the firearm.
- Avoid using the product in wet or damp conditions to prevent corrosion.
- Store the product in a dry, secure location when not in use.

## Instructions for Installation and Usage

### Installation

1. Gather all necessary tools and mounting hardware included with the chassis.
2. Ensure the Ruger PC Carbine is unloaded and pointed in a safe direction.
3. Remove the existing stock and grip from the firearm according to the manufacturer's instructions.
4. Align the chassis with the firearm's receiver and ensure proper fit.
5. Secure the chassis using the provided mounting hardware, ensuring all screws are tightened properly.
6. Reattach any necessary components, including the factory iron sights, if desired.

### Usage

1. Before use, check that the chassis is securely attached and that all components are functioning properly.
2. Load the firearm according to the manufacturer's instructions and ensure it is in a safe condition before handling.
3. Follow all standard firearm safety practices while using the Ruger PC Carbine.
4. After use, clean and maintain the chassis as per the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- If the product is damaged beyond repair, ensure it is rendered unusable before disposal.

- Recycle materials where possible, including aluminum components, in compliance with local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the RUGER® PC CARBINE™ Takedown Chassis, please contact the manufacturer directly. Ensure you have your product information available for reference.

This safety instruction guide is designed to help you use your RUGER® PC CARBINE™ Takedown Chassis safely and effectively. Always prioritize safety and adhere to the guidelines provided to ensure a positive experience with your product.
