

# STRIKE MINI KINGCOMP 9MM - STRIKE INDUSTRIES STRIKE MINI KINGCOMP 1/2-28 BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The Strike Industries Mini King Comp 9mm brings the proven performance of the full size King Comp in a more compact, lighter package designed exclusively for 9mm carbines. The Mini King Comp retains the full range of features of the King Comp in a single chamber format. The large single baffle captures the vented gasses for recoil mitigation. The redirection jets work to stabilize the muzzle end for faster follow up shots while dampening felt concussion on the shooter end to maintain the pleasant shooting characteristics of 9mm carbines. The end of the compensator features the "crown" of standoff/wire cutting tines that gives the compensator its name. While 9mm carbines are known for low recoil and fast handling characteristics, give yours an extra edge in performance with the SI Mini King Comp. Package includes: 1x Mini King Comp 9mm 1x Crush Washer Features Compact single chamber design Standoff/wirecutting tines Tuned for concussion reduction without sacrificing performance COMPATIBILITY: Thread Pitch: 1/2-28 SI OPPRESSOR -CALIFORNIA PROPOSITION 65 WARNING:- WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. # Safety Instruction Guide for STRIKE MINI KINGCOMP 9MM

## Introduction

Thank you for choosing the STRIKE MINI KINGCOMP 9MM by Strike Industries. This product is designed to enhance the performance of your 9mm carbine while ensuring safety during use. Please read this guide thoroughly to understand the safety precautions, installation instructions, and proper usage of the Mini King Comp.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a muzzle compensator for 9mm carbines.
- Always handle firearms with care and follow standard safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with the Mini King Comp.
- Ensure that the firearm is unloaded before installing or removing the compensator.
- Follow the manufacturer's instructions for installation to prevent improper fitting, which may lead to malfunction.
- Avoid using the compensator in adverse weather conditions that may affect visibility or handling.
- Be aware of your surroundings when firing to ensure the safety of yourself and others.
- Do not modify the Mini King Comp or use it with incompatible firearms.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing muzzle device by unscrewing it from the muzzle.
- Clean the muzzle threads to remove any debris or residue.
- Align the Mini King Comp with the threads of the firearm.
- Handtighten the compensator onto the muzzle until secure. Do not overtighten.
- Install a crush washer if necessary to ensure a proper fit.

### 2. Usage

- Always check that the compensator is securely attached before firing.
- Fire in a controlled environment to minimize risks.
- Monitor the performance of the compensator during use. If you experience excessive recoil or unusual noise, stop using it immediately.
- Clean the compensator regularly to maintain performance and prevent buildup of carbon or debris.

## Disposal Instructions

- Dispose of the Mini King Comp in accordance with local regulations for metal products.
- Do not dispose of in regular household waste.
- Check with local recycling centers for proper disposal methods.

## **Contact Information for Further Support**
