

# AR-15 ENHANCED PISTOL GRIP - STRIKE INDUSTRIES AR-15 ENHANCED PISTOL GRIP 15 DEGREE BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The Strike Industries Enhanced Pistol Grip lineup comes in three different angles to suit any shooter's needs. Now available with an improved grip texture for more positive handling of the rifle. The grip is more streamlined and tapered where the webbing of the hand goes to allow more range of movement of the firing hand when accessing the controls. It has enough width in the palm area to maximize comfort during extended use. Each grip features a comfortable beaver tail and secure storage underneath with an included rubber endcap. The 25-degree grip has an aggressive angle similar to the traditional A2 grip. It's meant for the traditional rifleman grip where the shooter would stand bladed and the shooting elbow is canted outwards. Compatible with AR-15 and AR-10 receiver styles.

## Attributes

- Name: [STRIKE INDUSTRIES AR-15 ENHANCED PISTOL GRIP 15 DEGREE BLACK](#)
- Manufacturer: [STRIKE INDUSTRIES](#)
- Product no.: 100037016

# Safety Instruction Guide for the AR15 Enhanced Pistol Grip

## Introduction

Thank you for choosing the Strike Industries AR15 Enhanced Pistol Grip. This guide provides important safety information, installation instructions, and general guidelines to ensure safe and effective use of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the grip regularly for any signs of wear or damage.
- Keep the grip out of reach of children and vulnerable individuals.
- Do not modify the grip in any way, as this may compromise safety.
- Always ensure that your firearm is unloaded when installing or adjusting the grip.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- **Proper Handling:** Always handle the firearm safely and responsibly. Treat every firearm as if it is loaded.
- **Grip Control:** Ensure that your grip is secure and comfortable before firing. A proper grip helps maintain control of the firearm.
- **Shooting Position:** Use the grip in a suitable stance to maximize stability and control. The 15degree angle is designed for the traditional rifleman grip.
- **Storage:** Store the firearm in a secure location when not in use. Ensure that the grip area is clean and free from obstructions.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing pistol grip by unscrewing it from the receiver.
- Align the Strike Industries Enhanced Pistol Grip with the receiver.
- Secure the grip by tightening the screw provided, ensuring it is firmly in place.

### 2. Usage:

- Hold the grip with your dominant hand and ensure your fingers are positioned correctly.
- Rest your thumb along the side of the grip for better control.
- When accessing controls, ensure that your grip allows for a full range of motion without compromising safety.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the grip is damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the manufacturer's contact details available on their official website or product packaging.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience using the Strike Industries AR15 Enhanced Pistol Grip. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety measures.
