

# AR-15 ENHANCED PISTOL GRIP - STRIKE INDUSTRIES AR-15 ENHANCED PISTOL GRIP 25 DEGREE BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The Strike Industries Enhanced Pistol Grip lineup comes in three different angles to suit any shooter's needs. Now available with an improved grip texture for more positive handling of the rifle. The grip is more streamlined and tapered where the webbing of the hand goes to allow more range of movement of the firing hand when accessing the controls. It has enough width in the palm area to maximize comfort during extended use. Each grip features a comfortable beaver tail and secure storage underneath with an included rubber endcap. The 25-degree grip has an aggressive angle similar to the traditional A2 grip. It's meant for the traditional rifleman grip where the shooter would stand bladed and the shooting elbow is canted outwards. Compatible with AR-15 and AR-10 receiver styles.

## Attributes

- Name: [STRIKE INDUSTRIES AR-15 ENHANCED PISTOL GRIP 25 DEGREE BLACK](#)
- Manufacturer: [STRIKE INDUSTRIES](#)
- Product no.: 100037018

# Safety Instruction Guide for AR15 Enhanced Pistol Grip

## Introduction

Thank you for choosing the Strike Industries AR15 Enhanced Pistol Grip. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

## General Safety Guidelines

- Ensure safe use of the pistol grip in accordance with all applicable laws and regulations.
- Always handle firearms responsibly and treat them as if they are loaded.
- Keep the pistol grip and firearm out of reach of children and unauthorized users.
- Regularly inspect the grip for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Stay informed about product recalls and safety alerts through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use the pistol grip only with compatible AR15 and AR10 receiver styles.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Ensure that your shooting stance is stable and secure to avoid accidents.
- Do not modify the grip or any part of the firearm in a way that could compromise safety.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstacles.
- Follow all manufacturer instructions for the safe handling of firearms.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Grip:** If applicable, carefully remove the existing pistol grip using the appropriate tools.
3. **Align the New Grip:** Position the Strike Industries Enhanced Pistol Grip onto the receiver, ensuring proper alignment.
4. **Secure the Grip:** Use the provided screws to secure the grip firmly in place. Do not overtighten.
5. **Check Stability:** Gently pull on the grip to ensure it is securely attached before use.

### Usage

- Grip the pistol grip firmly with your dominant hand while maintaining a proper shooting stance.
- Utilize the beaver tail for added comfort and control during shooting.
- Access the controls of the firearm smoothly and safely, ensuring your fingers are clear of the trigger when not in use.

## Disposal Instructions

- Dispose of the pistol grip in accordance with local regulations regarding plastic and composite materials.
- If the grip is damaged or no longer functional, ensure it is disposed of in a manner that prevents accidental use.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your product, please refer to the manufacturer's website or contact customer support through the appropriate channels.

Thank you for prioritizing safety and responsible usage. Enjoy your enhanced shooting experience with the Strike Industries AR15 Enhanced Pistol Grip.
