

LINK RAIL COVERS 3 PIECE MIDDLE SECTION - STRIKE INDUSTRIES

LINK RAIL COVERS 3 PIECE MIDDLE SECTION

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

The Strike Industries LINK Rail Covers allows the user to add more rail protection options while also expanding upon the Link Hand-Stop Kit (sold separately). Utilizing our patented Link mounting system, the rail covers can be directly screw mounted to either M-Lok or Keymod. The LINK Rail Cover is intended for use with the LINK Hand Stop Kit or as a standalone unit. This product creates a more ergonomic shooting & support platform by incorporating contoured design and textured contact surface. The Link Rail Cover is made with fiber reinforced polymer that acts as a heat shield when the firearm is used in rapid succession.

LINK Rail Covers 3 Piece Middle Section Safety Instructions

Introduction

Thank you for choosing the LINK Rail Covers 3 Piece Middle Section by Strike Industries. This product is designed to enhance your firearm's functionality while ensuring safety during use. Please read this safety instruction guide carefully to ensure proper use and maintenance of the LINK Rail Covers.

General Safety Guidelines

- Ensure the LINK Rail Covers are compatible with your firearm's mounting system (MLOk or Keymod).
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Regularly inspect the LINK Rail Covers for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the LINK Rail Covers only as intended, either with the LINK Hand Stop Kit or as a standalone unit.
- Avoid exposing the rail covers to extreme heat or open flames, as they are made from polymer materials that may become damaged.
- Do not exceed the recommended mounting torque when installing the rail covers to prevent damaging the firearm or the covers.
- Ensure that the textured surface is clean and free of debris to maintain optimal grip and control during use.
- If you experience any discomfort or difficulty while using the rail covers, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe to handle.
- Select the appropriate mounting system (MLOk or Keymod) for your firearm.
- Align the LINK Rail Covers with the mounting slots.
- Securely fasten the rail covers using the provided screws, ensuring not to overtighten.
- Confirm that the rail covers are firmly attached and do not move when pressure is applied.

2. Usage:

- Position your hand on the textured surface of the LINK Rail Covers for improved grip.
- Utilize the ergonomic design to enhance your shooting and support platform.
- Monitor the temperature of the rail covers during extended use; if they become too hot, allow them to cool before further handling.

Disposal Instructions

- Dispose of the LINK Rail Covers in accordance with local waste disposal regulations.
- Do not burn the product, as it is made from polymer materials that may release harmful fumes when incinerated.
- Consider recycling options for polymer materials where available.

Contact Information for Further Support

For any safety inquiries or further support regarding the LINK Rail Covers, please reach out to your local retailer or manufacturer. Ensure you have the product details at hand for a more efficient response.

Thank you for prioritizing safety and compliance with these guidelines. Your responsible use of the LINK Rail Covers contributes to a safer shooting environment for everyone.
