

# AR-15 PIT STOCK - STRIKE INDUSTRIES PIT STOCK BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

It's time to rethink what you really need a stock to do. It's time to rethink what a stock can do. It's time to reject the status quo, the compromises we all have taken for what is, rather than think about what can be. The AR as a compact platform, has always felt like an amalgamation of ad hoc fixes rather than a dedicated system of components designed from the ground up to work in harmony with the shooter. Once again, Strike Industries has the solution: the Pit Stock system. The Pit Stock is designed to work in concert with the Advanced Receiver extension. By interfacing with the keyed receiver extension, the additional points of contact results in a fitted feel and rattle free, rock solid lock up. Despite the additional strength, the minimalist design weighs only 4 oz. In this case, minimalist does not mean feature free. The stock can be adjusted out to three positions to create a more custom fit for the shooter. Ambidextrous QD swivels are built in for a strong, integrated solution. The orbital stock shape, introduced with the PDW Stock, creates an ergonomic, secure shoulder weld, even in the unorthodox shooting positions characteristic of vehicle born, or extreme close quarters conditions the form factor is designed to dominate. Pair with the upcoming Enhanced Pistol Grip (PDW angle) for the ultimate ultra-compact, yet ergonomic, AR15. Note: The Strike Pit Stock is only compatible with Strike Industries 7 Position Advanced Receiver Extension. Not compatible with any other manufacturer's buffer tube. Sold separately.

## Attributes

- Name: [STRIKE INDUSTRIES PIT STOCK BLACK](#)
- Manufacturer: [STRIKE INDUSTRIES](#)
- Product no.: 100037036
- Mfr. No.: SI-STRIKE-PIT-B
- Colour: Black
- Type: Rifle
- Delivery weight: 0.17kg
- Shipping height: 51mm
- Shipping width: 76mm
- Shipping length: 121mm
- UPC: 708747547856

## Item details

US export classification: 0A501.y.1

# AR15 PIT STOCK STRIKE INDUSTRIES PIT STOCK BLACK Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 Pit Stock by Strike Industries. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that all users are familiar with firearm safety and handling principles.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and accessories in a secure location away from children and unauthorized users.
- Regularly inspect the stock and firearm for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- The Pit Stock is designed for use with the Strike Industries 7 Position Advanced Receiver Extension only.
- Do not attempt to use the Pit Stock with any other manufacturer's buffer tube.
- Ensure that the stock is securely attached before using the firearm.
- Adjust the stock to fit your body size and shooting style for maximum comfort and control.
- Be aware of your surroundings and the environment in which you are shooting, especially in close quarters or vehicle settings.
- Use the ambidextrous QD swivels only as intended. Do not overload or misuse these components.

## Instructions for Installation and Usage

### Installation

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the existing stock from the buffer tube if applicable.
3. Align the Pit Stock with the Strike Industries 7 Position Advanced Receiver Extension.
4. Securely attach the Pit Stock by following the manufacturer's instructions for installation.
5. Confirm that the stock is locked in place and does not rattle.

### Usage

- Adjust the stock to your preferred length by selecting one of the three available positions.
- Ensure a proper shoulder weld by positioning the stock securely against your shoulder.
- Utilize the ergonomic design of the stock for improved comfort during extended use.
- Maintain control of the firearm at all times and avoid any unintentional discharges.

## Disposal Instructions

- Dispose of the Pit Stock in accordance with local regulations regarding firearm accessories.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent unauthorized use.

## Contact Information for Further Support

For any safety inquiries or issues regarding the AR15 Pit Stock, please refer to the manufacturer's customer

support resources or website for assistance.

Please remember to regularly check for any product recalls or safety updates through the EU's Safety Gate platform. Your safety is our priority, and we encourage you to report any unsafe products or incidents to the relevant authorities. Thank you for your attention to these important safety guidelines.
