## **AR-15 - STRIKE INDUSTRIES ARCH-EL CHARGING HANDLE**

### **W/EXTENDED LATCH AR-15 BLACK**

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

The new ARCH-EL Charging Handle from Strike Industries is a T-6 7075 forged hard anodized charging handle featuring a larger aluminum latch surface that functions with ease in adverse conditions. The SI ARCH-EL featuring the aluminum SI Extended Latch will not wear your receiver as fast compared to steel latches! With its high polished surface, its ergonomic design makes for a smooth, clean charge. The quality of the ARCH-EL is second to none and it's built for durability. Once you place the ARCH-EL on your rifle, you will see, feel, and know the quality of the ARCH-EL!

# ARCHEL Charging Handle Safety Instruction Guide

## Introduction

Thank you for choosing the ARCHEL Charging Handle with Extended Latch Combo for your AR15 from Strike Industries. This guide provides essential safety instructions to ensure the safe use and installation of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the charging handle is compatible with your AR15 model.
- Always handle firearms safely and responsibly.
- Keep the charging handle and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the charging handle for signs of wear or damage before each use.
- Do not use the charging handle if it shows signs of damage or excessive wear.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or removing the charging handle.
- Use protective eyewear when handling firearms to prevent injury from debris or accidents.
- Avoid using the charging handle in extreme conditions that may affect its performance, such as excessive moisture or extreme temperatures.
- If the charging handle becomes stuck or does not function properly, do not force it. Inspect for obstructions or damage and seek professional assistance if needed.
- Do not modify the charging handle or attempt to disassemble it beyond the manufacturer's recommendations.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is pointed in a safe direction and is unloaded.
- Gather the necessary tools for installation, if required.

### 2. Installation:

- Remove the existing charging handle from your AR15 by following the manufacturer's instructions.
- Align the ARCHEL Charging Handle with the receiver of your AR15.
- Insert the charging handle into the receiver until it is fully seated.
- Ensure that the extended latch is positioned correctly and functions smoothly.

### 3. Usage:

- To charge the firearm, grasp the extended latch and pull it back firmly.
- Release the latch to allow the bolt carrier group to move forward.
- Always ensure the firearm is pointed in a safe direction when charging.

### 4. PostUsage:

- After use, clean the charging handle and surrounding areas to remove any debris or residue.
- Store your firearm and the charging handle safely and securely when not in use.

## Disposal Instructions

- Dispose of any damaged or worn charging handles in accordance with local regulations.
- Do not dispose of the charging handle in regular household waste. Check with local recycling centers for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the ARCHEL Charging Handle, please refer to the manufacturer's website or customer support resources.

## Conclusion

By following these safety instructions, you can ensure the safe and effective use of your ARCHEL Charging Handle. Always prioritize safety and responsible handling of firearms. Thank you for choosing Strike Industries.
