

# ARCH-EL CHARGING HANDLE WITH EXTENDED LATCH COMBO

## AR-15 - STRIKE INDUSTRIES ARCH-EL CHARGING HANDLE W/EXTENDED LATCH AR-15 FDE

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

The new ARCH-EL Charging Handle from Strike Industries is a T-6 7075 forged hard anodized charging handle featuring a larger aluminum latch surface that functions with ease in adverse conditions. The SI ARCH-EL featuring the aluminum SI Extended Latch will not wear your receiver as fast compared to steel latches! With its high polished surface, its ergonomic design makes for a smooth, clean charge. The quality of the ARCH-EL is second to none and it's built for durability. Once you place the ARCH-EL on your rifle, you will see, feel, and know the quality of the ARCH-EL!

# ARCHEL Charging Handle Safety Instructions

## Introduction

Thank you for choosing the ARCHEL Charging Handle with Extended Latch Combo AR15 from Strike Industries. This product has been designed with your safety and convenience in mind. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the ARCHEL Charging Handle is compatible with your AR15 model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage before use.
- Do not modify the charging handle in any way, as this may compromise its safety and functionality.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always wear eye protection when operating your firearm.
- Ensure that the firearm is unloaded before installing or removing the charging handle.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before using your firearm.
- Use the charging handle only as intended; do not use it for any other purpose.
- If the charging handle becomes difficult to operate, stop using it and inspect for any obstructions or damages.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Firearm:** Ensure that your AR15 is unloaded and pointed in a safe direction.
2. **Remove the Existing Charging Handle:**
  - Pull the rear takedown pin and separate the upper and lower receivers.
  - Remove the old charging handle by pulling it out of the receiver.
3. **Install the ARCHEL Charging Handle:**
  - Align the new ARCHEL Charging Handle with the receiver.
  - Slide it into place until it is securely seated.
4. **Reassemble Your Firearm:**
  - Reattach the upper and lower receivers by inserting the takedown pin.
5. **Test the Charging Handle:**
  - Operate the charging handle several times to ensure it moves smoothly and is properly installed.

### Usage

- To charge the firearm, grasp the extended latch of the ARCHEL Charging Handle and pull it back firmly.
- Release the handle to allow it to return to its original position.
- Ensure that the firearm is in a safe condition before charging.

## Disposal Instructions

- Dispose of the ARCHEL Charging Handle in accordance with local regulations.
- Do not dispose of the product with regular household waste.
- If the product is damaged, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the ARCHEL Charging Handle, please refer to the manufacturer's website or contact your local retailer for assistance.

### **Important Note**

In case of an emergency or if you suspect that the product is unsafe, please report it to the relevant authorities. For updates on safety recalls, please check the EU's Safety Gate platform.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance of your ARCHEL Charging Handle!
