

LIGHTWEIGHT LOW PROFILE FORWARD ASSIST - STRIKE INDUSTRIES LIGHTWEIGHT LOW PROFILE FORWARD ASSIST BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Forward Assist Parts](#)

The New Strike forward assist is the latest addition to the Strike Industries line of performance AR parts. The Forward Assist Plunger is made of lightweight aluminum for those looking to retain the functionality of a forward assist, while seeking weight savings wherever they can. The forward assist pawl is constructed of tool steel to ensure positive engagement of the forward assist ratchets on compatible bolt carriers and maintain long service life.

Lightweight Low Profile Forward Assist Safety Instruction Guide

Introduction

Thank you for choosing the Lightweight Low Profile Forward Assist by Strike Industries. This product is designed to enhance the functionality of your AR15 while minimizing weight. To ensure safe and effective use, please read this safety instruction guide thoroughly.

General Safety Guidelines

- Ensure that the product is used only with compatible AR15 platforms.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the forward assist for wear and damage before use.
- If you notice any abnormalities during installation or use, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Before using the forward assist, ensure that the firearm is unloaded and pointed in a safe direction.
- Use only the recommended tools and methods for installation to avoid damage.
- Do not use excessive force when operating the forward assist to prevent mechanical failure.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the firearm.
- If you experience any malfunctions, cease use and seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe.
- Remove the existing forward assist if applicable.
- Align the Lightweight Low Profile Forward Assist with the bolt carrier group.
- Securely fasten the forward assist using the appropriate screws or pins as specified in the product manual.
- Confirm that the forward assist operates smoothly before reassembling the firearm.

2. Usage:

- To operate the forward assist, gently push the plunger to engage the bolt carrier.
- Ensure that the firearm is in a safe position before engaging the forward assist.
- Regularly check the functionality of the forward assist during routine maintenance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and firearm components.
- Do not dispose of the product in regular household waste.
- Contact local recycling facilities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the Lightweight Low Profile Forward Assist, please reach out to the designated EU

contact point as per your local regulations.

Conclusion

Your safety and satisfaction are our top priorities. By following these guidelines, you can ensure the safe use and longevity of your Lightweight Low Profile Forward Assist. Thank you for your attention to these important safety measures.
