Safety Instruction Guide for HEX SELECTOR SWITCH 60/90 DEGREE 3 IN 1

Introduction

Thank you for choosing the HEX SELECTOR SWITCH 60/90 DEGREE 3 IN 1 from STRIKE INDUSTRIES. This product is designed to enhance your shooting experience by allowing you to customize the selector switch degree to match your shooting style. Your safety and satisfaction are our top priorities. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat the selector switch as if it is loaded and ready to fire.
- Ensure that the product is used in a safe environment, free from distractions and hazards.
- Keep the selector switch out of reach of children and unauthorized users.
- Regularly inspect the selector switch for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearms and accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the selector switch is properly installed before use.
- Do not attempt to modify or disassemble the selector switch.
- Always use the selector switch with compatible firearms only.
- Be aware of your surroundings and ensure that your shooting area is clear of bystanders.
- When switching between degrees, ensure that the selector switch is in a safe position.
- If you experience any malfunctions, cease use immediately and consult a qualified technician.

Instructions for Installation and Usage

Installation Instructions

1. **Read the Manual:** Before installation, read the product manual thoroughly.
2. **Gather Tools:** Ensure you have the necessary tools for installation (e.g., screwdriver).
3. **Remove Existing Switch:** If applicable, carefully remove the existing selector switch from your firearm.
4. **Install the HEX SELECTOR SWITCH:**
 - Align the HEX SELECTOR SWITCH with the designated area on your firearm.
 - Securely fasten the switch using the appropriate screws.
 - Ensure that the switch operates smoothly without obstruction.
5. **Test the Installation:** Once installed, test the selector switch to confirm its functionality.

Usage Instructions

1. **Selecting Degree:** Choose between the 60degree and 90degree options based on your preference:
 - For short throw, select the 60degree position.
 - For conventional use, select the 90degree position.
2. **Switching Positions:** To change the position:
 - Ensure the firearm is unloaded and pointed in a safe direction.
 - Adjust the selector switch to the desired degree.
3. **Practice Safe Handling:** Always follow firearm safety rules when using the selector switch.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Do not throw the selector switch in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For inquiries or support regarding the HEX SELECTOR SWITCH 60/90 DEGREE 3 IN 1, please reach out to the designated contact point as provided by the manufacturer. Ensure you have the product details available for reference.

By following these guidelines, you can ensure a safe and enjoyable experience with your HEX SELECTOR SWITCH 60/90 DEGREE 3 IN 1. Thank you for prioritizing safety!
