

# STRIKE SELECTOR SWITCH - STRIKE INDUSTRIES STRIKE SELCTOR SWITCH BLACK

[Rifle Parts](#) > [Safety Parts](#) > [Safeties](#)

STRIKE SELECTOR SWITCH Ergonomic, intuitive, and fast. The Strike Switch is a patent pending modular safety selector designed from inception using human factor considerations to aid positive on safe, on fire manipulations. The unique toggle action allows one to quickly engage the safety when moving positions without altering the firing grip. The extended lever arm serves as an index point and thumb rest in either position. Adding to the modularity, the Strike Switch is end user configurable to use a 60 or 90 Degree throw, left hand, right hand, or ambidexterous configurations. The levers are machined from lightweight, but strong aircraft grade aluminum for weight savings, while the safety shaft itself is machined from high strength steel for a lifetime of use.

# Safety Instruction Guide for STRIKE SELECTOR SWITCH

## Introduction

Thank you for choosing the STRIKE SELECTOR SWITCH from STRIKE INDUSTRIES. This product is designed to enhance the safety and functionality of your firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the safety selector is in the 'safe' position when not in use.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Always wear appropriate safety gear, including eye and ear protection.
- Store your firearm and accessories in a secure location, out of reach of children.
- Regularly inspect your firearm and accessories for any signs of wear or damage.

## Specific Safety Precautions for Use

- The STRIKE SELECTOR SWITCH is designed for use with AR15 platforms only. Do not attempt to use it with other firearm types.
- Ensure that the selector switch is properly installed and securely fastened before use.
- Do not attempt to modify or disassemble the selector switch.
- Always check the functionality of the selector switch before each use.
- If you notice any malfunction or unusual behavior, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Tools Required:** Ensure you have the necessary tools, including a screwdriver and any specific tools recommended by your firearm's manufacturer.
2. **Remove the Old Selector:** Follow your firearm's manual to safely remove the existing selector switch.
3. **Install the STRIKE SELECTOR SWITCH:**
  - Align the safety selector with the designated slot on the lower receiver.
  - Insert the safety shaft into the receiver and ensure it is seated properly.
  - Attach the lever arm, ensuring it is in the desired position (60 or 90 degrees, lefthand, righthand, or ambidextrous).
  - Secure all components tightly to prevent any movement during use.
4. **Final Check:** Test the selector switch to ensure it moves smoothly between 'safe' and 'fire' positions.

### Usage

- To engage the safety, push the lever to the 'safe' position.
- To disengage the safety, push the lever to the 'fire' position.
- Practice operating the selector switch in a safe environment to become familiar with its feel and operation.

## **Disposal Instructions**

- Dispose of the STRIKE SELECTOR SWITCH in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not throw away with regular household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the STRIKE SELECTOR SWITCH, please refer to the manufacturer's website or consult your local dealer for assistance.

## **Conclusion**

The STRIKE SELECTOR SWITCH is designed with safety and userfriendliness in mind. By following these guidelines, you can help ensure a safe and enjoyable experience with your firearm. Always prioritize safety and stay informed about best practices for firearm handling and maintenance. Thank you for choosing STRIKE INDUSTRIES.
