

# STRIKE SELECTOR SWITCH - STRIKE INDUSTRIES STRIKE SELCTOR SWITCH FDE

[Rifle Parts](#) > [Safety Parts](#) > [Safeties](#)

STRIKE SELECTOR SWITCH Ergonomic, intuitive, and fast. The Strike Switch is a patent pending modular safety selector designed from inception using human factor considerations to aid positive on safe, on fire manipulations. The unique toggle action allows one to quickly engage the safety when moving positions without altering the firing grip. The extended lever arm serves as an index point and thumb rest in either position. Adding to the modularity, the Strike Switch is end user configurable to use a 60 or 90 Degree throw, left hand, right hand, or ambidexterous configurations. The levers are machined from lightweight, but strong aircraft grade aluminum for weight savings, while the safety shaft itself is machined from high strength steel for a lifetime of use.

## Attributes

- Name: [STRIKE INDUSTRIES STRIKE SELCTOR SWITCH FDE](#)
- Manufacturer: [STRIKE INDUSTRIES](#)
- Product no.: 100037112
- Mfr. No.: SI-AR-S-SS-FDE
- Weapon type: AR-15
- Delivery weight: 0.063kg
- Shipping height: 44mm
- Shipping width: 57mm
- Shipping length: 102mm
- UPC: 708747545715

## Item details

US export classification: 0A501.x

# Safety Instruction Guide for STRIKE SELECTOR SWITCH

## Introduction

Thank you for choosing the STRIKE SELECTOR SWITCH by STRIKE INDUSTRIES. This guide provides essential safety instructions and usage information to ensure the safe and effective operation of your product. Please read this guide carefully before using the selector switch.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage before use.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always engage the safety selector in the "safe" position when the firearm is not in use.
- Ensure that the firearm is pointed in a safe direction at all times during operation.
- Familiarize yourself with the toggle action of the selector switch before engaging it in a live environment.
- Use the selector switch with a firm grip to avoid accidental disengagement.
- Do not modify the selector switch in any way that is not approved by the manufacturer.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Product:** Carefully remove the STRIKE SELECTOR SWITCH from its packaging.
2. **Check Components:** Ensure all components are present and undamaged.
3. **Select Configuration:**
  - Choose between a 60 or 90 Degree throw.
  - Decide on left hand, right hand, or ambidextrous configurations.
4. **Install the Selector Switch:**
  - Follow the manufacturer's instructions for the installation process.
  - Use appropriate tools to secure the switch in place, ensuring it is tightly fitted.
5. **Test the Selector:** After installation, test the selector switch to ensure it operates smoothly and engages properly.

### Usage

- To engage the safety, toggle the switch to the desired position while maintaining a firm grip on the firearm.
- When switching from "safe" to "fire," ensure that the firearm is pointed in a safe direction.
- Practice using the selector switch in a controlled environment to become familiar with its operation.

## Disposal Instructions

- Dispose of the STRIKE SELECTOR SWITCH in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the STRIKE SELECTOR SWITCH, please refer to the manufacturer's official website or contact your local distributor.

## **Regulatory Compliance**

This product complies with the EU General Product Safety Regulation (GPSR). It is designed to minimize risks associated with its use. If you encounter any unsafe conditions or have concerns about the product, please report them to the appropriate authorities.

## **Reporting Unsafe Products**

- If you believe this product poses a safety risk, report it to the relevant authorities.
- Stay informed about recalls and safety updates by checking the EU's Safety Gate platform.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
