# Safety Instruction Guide for SI Ultra Light Pivot/Takedown Pins

## Introduction

Thank you for choosing the SI Ultra Light Pivot/Takedown Pins from Strike Industries. These pins are designed for those who prioritize lightweight builds without compromising durability. This guide provides essential safety instructions to ensure the safe use and installation of your new product while complying with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only as intended.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the pins for any signs of wear or damage before use.
- Always follow the installation instructions to avoid improper usage.
- In case of any malfunction or damage, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limits of your firearm when using the Ultra Light Pivot/Takedown Pins.
- Avoid using the pins in extreme environmental conditions, such as excessive heat or moisture.
- Ensure that all components of your firearm are compatible with the Ultra Light Pivot/Takedown Pins.
- Use protective eyewear during installation to prevent injury from potential debris.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your workspace is clean and welllit.
- Gather all necessary tools before beginning the installation.

### 2. Installation Steps:

- Remove the existing pivot and takedown pins from your firearm using appropriate tools.
- Align the Ultra Light Pivot/Takedown Pins with the designated holes in the firearm.
- Insert the pivot pin first, ensuring it is seated properly.
- Follow with the takedown pin, ensuring a secure fit.
- Test the functionality of the pins by operating the firearm's action to ensure smooth operation.

### 3. PostInstallation Check:

- After installation, doublecheck that both pins are securely in place.
- Perform a function check of the firearm to ensure everything is operating correctly.
- If any issues arise during the function check, remove the pins and consult a professional.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is damaged beyond repair, follow local electronic waste disposal guidelines to ensure environmentally responsible disposal.

- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding safety or product performance, please consult your local retailer or the manufacturer directly.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SI Ultra Light Pivot/Takedown Pins. Thank you for your attention to safety, and enjoy your product!
