# Safety Instruction Guide for SI Ultra Light Pivot/Takedown Pins

## Introduction

Thank you for choosing the SI Ultra Light Pivot/Takedown Pins by Strike Industries. Designed for those who prioritize lightweight builds without compromising durability, these pins are crafted from highquality 7075 aluminum. This guide provides essential safety instructions to ensure safe usage, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check the EU's Safety Gate platform for recall updates.
- Follow all local regulations regarding the use and disposal of this product.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear when handling or using tools.
- Ensure that the work area is clean and free from hazards before installation.
- Do not exceed the manufacturer's recommended weight capacity for your firearm.
- Never attempt to modify or alter the pivot/takedown pins.
- If you experience any issues during installation or use, cease operation immediately and consult a qualified professional.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a punch tool and a hammer.

#### 2. Removing Old Pins:

- Use the punch tool to gently tap out the existing pivot and takedown pins.
- Take care not to damage surrounding components.

#### 3. Installing New Pins:

- Align the new SI Ultra Light Pivot/Takedown Pins with the corresponding holes.
- Use the punch tool to gently tap the pins into place until they are secure.
- Doublecheck that the pins are fully seated and functioning properly.

#### 4. Final Check:

- Ensure all components are secure and there are no loose parts.
- Conduct a function check of the firearm to ensure proper operation.

## **Usage Instructions**

- Use the SI Ultra Light Pivot/Takedown Pins exclusively with compatible AR15 platforms.
- Regularly inspect the pins for wear or damage during routine maintenance.
- If any issues arise during operation, discontinue use and seek assistance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for aluminum materials when applicable.

## **Contact Information for Further Support**

For further assistance, please refer to the manufacturer's website or contact customer support for inquiries related to safety concerns or product issues.

Thank you for your attention to these safety guidelines. Enjoy the benefits of your SI Ultra Light Pivot/Takedown Pins while ensuring a safe and responsible experience.
