

SI LINK CURVED FOREGRIP - STRIKE INDUSTRIES SI LINK CURVED FOREGRIP BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

The Strike Industries LINK-CFG (Curved Fore Grip) design was derived from our Cobra Tactical Fore Grip and features SI's (patent pending) LINK system which is mountable to both M-Lok and Keymod rails. The LINK-CFG is constructed of 6061T6 aluminum- making it ultra-durable for continued use. Using these grips, shooters can apply different techniques to adapt to various scenarios: At the front, a ridged face allows a shooter to brace the rifle without worrying about the grip moving around. At the rear of the grip, the curve can be used as a hand stop. The innovation in this grip will keep you happily stabilized throughout your shooting experience.

Attributes

- Name: [STRIKE INDUSTRIES SI LINK CURVED FOREGRIP BLACK](#)
- Manufacturer: [STRIKE INDUSTRIES](#)
- Product no.: 100037129
- Mfr. No.: SI-LINK-CFG-BK
- Attachment: KeyMod,M-LOK
- Colour: Black
- Material: Aluminum
- Weapon type: AR-15
- Delivery weight: 0.064kg
- Shipping height: 19mm
- Shipping width: 57mm
- Shipping length: 140mm
- UPC: 708747544855

Safety Instruction Guide for SI LINK CURVED FOREGRIP

Introduction

Thank you for choosing the SI LINK Curved Foregrip by Strike Industries. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the foregrip.

General Safety Guidelines

- Ensure the foregrip is compatible with your firearm before installation.
- Always handle firearms with care and follow the manufacturer's safety guidelines.
- Inspect the foregrip for any damage or defects before use.
- Do not exceed the manufacturer's specified weight limits when attaching accessories to the foregrip.
- Keep the foregrip and all firearms out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the foregrip only as intended and for its designed purpose.
- Ensure your hands are dry and free from oil or other substances before gripping.
- Maintain a firm grip on the foregrip while shooting to prevent slipping.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use appropriate personal protective equipment (PPE), such as eye and ear protection, while shooting.
- Avoid placing your fingers in front of the muzzle at all times.

Instructions for Installation and Usage

Installation Instructions

1. **Compatibility Check:** Ensure the foregrip is compatible with your firearm's rail system (KeyMod or MLOK).
2. **Prepare Tools:** Gather necessary tools, such as a hex wrench, for installation.
3. **Positioning:** Position the foregrip at the desired location on the rail system.
4. **Secure Attachment:**
 - For KeyMod:
 - Align the KeyMod slots with the foregrip.
 - Insert the mounting hardware and tighten securely using the hex wrench.
 - For MLOK:
 - Align the MLOK slots with the foregrip.
 - Insert the mounting hardware and tighten securely using the hex wrench.
5. **Final Check:** Ensure the foregrip is securely attached and does not move.

Usage Instructions

- To use the foregrip effectively:
 - Place your hand on the ridged face at the front for stability.
 - Utilize the curved rear as a hand stop for better control.
- Practice shooting techniques to adapt to different scenarios using the foregrip.
- Always maintain proper firearm handling practices while using the foregrip.

Disposal Instructions

- Dispose of the foregrip in accordance with local regulations.
- If the foregrip is damaged or no longer needed, consider recycling the aluminum material where possible.
- Do not dispose of the foregrip in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding safety, usage, or installation of your SI LINK Curved Foregrip, please refer to the manufacturer's website or contact their customer support directly.

By following these guidelines and instructions, you can ensure a safe and enjoyable shooting experience with your SI LINK Curved Foregrip. Thank you for your attention to safety!
