

SI LINK CURVED FOREGRIP - STRIKE INDUSTRIES SI LINK CURVED FOREGRIP FDE

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

The Strike Industries LINK-CFG (Curved Fore Grip) design was derived from our Cobra Tactical Fore Grip and features SI's (patent pending) LINK system which is mountable to both M-Lok and Keymod rails. The LINK-CFG is constructed of 6061T6 aluminum- making it ultra-durable for continued use. Using these grips, shooters can apply different techniques to adapt to various scenarios: At the front, a ridged face allows a shooter to brace the rifle without worrying about the grip moving around. At the rear of the grip, the curve can be used as a hand stop. The innovation in this grip will keep you happily stabilized throughout your shooting experience.

Attributes

- Name: [STRIKE INDUSTRIES SI LINK CURVED FOREGRIP FDE](#)
- Manufacturer: [STRIKE INDUSTRIES](#)
- Product no.: 100037131
- Mfr. No.: SI-LINK-CFG-FDE
- Attachment: KeyMod,M-LOK
- Colour: Flat Dark Earth
- Material: Aluminum
- Weapon type: AR-15
- Delivery weight: 0.064kg
- Shipping height: 19mm
- Shipping width: 57mm
- Shipping length: 140mm
- UPC: 708747546408

Item details

US export classification: 0A501.y.1

Safety Instruction Guide for SI LINK Curved Foregrip

Introduction

Thank you for choosing the SI LINK Curved Foregrip by Strike Industries. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your foregrip. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the foregrip is installed correctly on your firearm to prevent any accidents or malfunctions.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the foregrip and firearm out of reach of children and unauthorized users.
- Regularly inspect the foregrip and firearm for any signs of wear or damage.
- Never use the foregrip for any other purpose than intended.

Specific Safety Precautions for Use

- Do not install the foregrip on firearms that do not comply with compatibility requirements (MLOk and KeyMod).
- Use the foregrip only with firearms that are designed for use with foregrips.
- Ensure that your hands are dry and clean while handling the foregrip to maintain a secure grip.
- Avoid using excessive force when gripping the foregrip to prevent slippage or loss of control.
- Be aware of your surroundings and ensure that you have a clear line of sight when shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded before installation.
- Identify the mounting system on your firearm (MLOk or KeyMod).
- Align the LINKCFG with the mounting system.
- Securely fasten the foregrip using the provided mounting hardware, ensuring it is tightly attached but not overtightened to avoid damage.

2. Usage:

- Hold the foregrip firmly while shooting to stabilize your aim.
- Use the ridged face at the front for bracing the rifle.
- Utilize the curved rear as a hand stop to enhance control.
- Adjust your grip and stance as needed for different shooting scenarios.

Disposal Instructions

- Dispose of the SI LINK Curved Foregrip in accordance with local regulations.
- Do not dispose of the foregrip in regular household waste.
- Consider recycling the aluminum material if available in your area.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SI LINK Curved Foregrip, please refer to the manufacturer's

contact information provided with your product packaging.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable shooting experience with your SI LINK Curved Foregrip. Always prioritize safety and responsibility when handling firearms and related accessories.
