# Safety Instruction Guide for AR Crush Washers by Strike Industries

## Introduction

Thank you for choosing the AR Crush Washers by Strike Industries. These washers are designed for use with AR15 rifles and comply with military specifications. This guide provides essential safety instructions, installation tips, and information on proper disposal to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle all firearm components with care and ensure they are stored securely when not in use.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Ensure that the product is suitable for your specific firearm model before use.
- Inspect the product for any visible damage or defects before installation.
- Keep the product out of reach of children and unauthorized individuals.

## Specific Safety Precautions for Use

- Before installation, ensure the firearm is unloaded and pointed in a safe direction.
- Wear safety glasses to protect your eyes during installation.
- Use appropriate tools designed for firearm assembly to avoid damage to the product or firearm.
- Do not exceed the manufacturer's specifications for torque when tightening the crush washer.
- If you notice any unusual sounds or malfunctions after installation, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your AR15 is unloaded and safe.
- Gather the necessary tools: a torque wrench, appropriate socket, and safety glasses.

### 2. Installation Steps

- Remove the old crush washer if applicable.
- Clean the muzzle device and the area where the crush washer will be installed.
- Place the new crush washer onto the muzzle device, ensuring it is seated correctly.
- Install the muzzle device onto the barrel, aligning it properly.
- Use the torque wrench to tighten the muzzle device to the manufacturer's specified torque setting. Do not overtighten.

### 3. PostInstallation Check

- Inspect the installation to ensure everything is secure.
- Perform a function check on your firearm to ensure it operates correctly.

## Disposal Instructions

- Dispose of any used or damaged crush washers in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, check for recycling programs or hazardous waste disposal options in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure that your AR Crush Washers are used safely and effectively, enhancing the performance of your firearm. Thank you for your attention to these important guidelines.
