# **Safety Instruction Guide for AR CRUSH WASHERS STRIKE INDUSTRIES AR15 .223/5.56 CRUSH WASHER BLACK 10PK**

## **Introduction**

Thank you for choosing the AR CRUSH WASHERS from Strike Industries. These washers are designed to meet military specifications and are intended for use with AR15 rifles. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product.

## **General Safety Guidelines**

- Always ensure that the product is used in accordance with the intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the washers for wear and damage before each use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

## **Specific Safety Precautions for Use**

- Ensure that the crush washers are compatible with your specific AR15 model.
- Do not attempt to use the washers if they show signs of damage or excessive wear.
- Use proper tools when installing or removing the washers to avoid injury.
- Always wear appropriate safety gear, such as eye protection, when working on firearms.
- Be cautious of sharp edges during installation and handling.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure your workspace is clean and free of distractions.
- Gather all necessary tools, including a torque wrench and appropriate firearms cleaning supplies.

### **2. Installation:**

- Remove the muzzle device from your AR15 if one is currently installed.
- Clean the threads of the barrel and the muzzle device to ensure a proper fit.
- Place the crush washer onto the muzzle device, ensuring it is positioned correctly.
- Install the muzzle device back onto the barrel, ensuring it is aligned properly.
- Use a torque wrench to tighten the muzzle device to the manufacturer's specifications. Avoid overtightening, as this may damage the crush washer.

### **3. PostInstallation Checks:**

- Inspect the installation to ensure that the muzzle device is secure and that the crush washer is not visible from the front.
- Test the functionality of the firearm in a safe environment to ensure proper operation.

## **Disposal Instructions**

- Dispose of any used or damaged crush washers in accordance with local waste disposal regulations.
- Do not throw away the product in regular household waste if it is considered hazardous.

- Check with local authorities for specific disposal guidelines related to firearms components.

## **Contact Information for Further Support**

For any inquiries regarding safety or product functionality, please refer to the manufacturer's contact information provided on the packaging or visit their official website.

Thank you for prioritizing safety while using the AR CRUSH WASHERS from Strike Industries. Your attention to these guidelines will help ensure a safe and enjoyable experience with your AR15 rifle.
