Safety Instruction Guide for AR CRUSH WASHERS

STRIKE INDUSTRIES AR .308 CRUSH WASHER

BLACK 10PK

Introduction

Thank you for choosing the AR CRUSH WASHERS by Strike Industries. This guide provides essential safety instructions and guidelines for the proper use, installation, and disposal of the product. Please read this document carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your AR series rifle before using the crush washers.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the crush washers for wear and tear, replacing them as necessary.
- Be aware of your surroundings when using firearms to avoid accidents.

Specific Safety Precautions for Use

- Only use the AR .308 crush washers with compatible muzzle devices and AR series rifles.
- Do not exceed the recommended torque specifications during installation to avoid damaging the crush washers or the muzzle device.
- Avoid using damaged or worn crush washers, as they may compromise the safety and functionality of your firearm.
- Always wear appropriate eye protection when installing or using muzzle devices.
- Ensure that the area is clear of obstructions and bystanders when firing your weapon.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and any other tools required for your specific muzzle device.
- Ensure that your firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove the existing muzzle device if applicable.
- Clean the muzzle threads on your firearm to ensure a proper fit.
- Place the crush washer onto the muzzle threads, ensuring it is oriented correctly for your specific muzzle device.
- Install the muzzle device by screwing it onto the threads over the crush washer.
- Use a torque wrench to tighten the muzzle device according to the manufacturer's specifications, ensuring that the crush washer is compressed properly.

3. Usage:

- After installation, conduct a function check of your firearm to ensure that everything is operating correctly.
- Regularly inspect the crush washer and muzzle device for any signs of damage or wear before each use.

Disposal Instructions

- Dispose of used or damaged crush washers in accordance with local waste management regulations.
- Do not discard in regular household waste if they are contaminated or hazardous.
- Check with local authorities for appropriate disposal methods for firearm accessories.

Contact Information for Further Support

For further safety inquiries or assistance, please refer to the manufacturer's contact information provided with your product packaging or visit the official website of Strike Industries.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of your AR CRUSH WASHERS. Always prioritize safety and compliance with local laws and regulations when handling firearms and accessories. Thank you for your attention to safety.
