

# JAPAN TYPE89 COMP 2.0 - STRIKE INDUSTRIES 223/5.56 JAPAN TYPE89 COMP 2.0 1/2-28 BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The SI JCOMP Gen2 is the classic Type 89 compensator re-engineered and updated for the 21st century. Due to end user feedback, the favorite features of the original are retained, but the J Comp now features increased muzzle rise compensation. Now also compatible with Oppressor and FerFrans concussion reduction devices. The J-COMP concept comes from the Type 89 Japanese assault rifle used by the Japan Self-Defense Forces, the Japan Coast Guard's Special Security Team units, and the Special Assault Team.

# Safety Instruction Guide for the JAPAN TYPE89 COMP 2.0 STRIKE INDUSTRIES 223/5.56

## Introduction

Thank you for choosing the JAPAN TYPE89 COMP 2.0 from STRIKE INDUSTRIES. This compensator is designed to enhance the performance of your AR15 while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including eye protection, when handling firearms and accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the compensator for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities immediately.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- The compensator is designed for use with .223 and 5.56 caliber firearms. Do not use it with other calibers.
- Ensure that the threads are compatible (1/228) with your firearm before installation.
- Do not modify the compensator in any way as it may affect safety and performance.
- Be aware of the increased muzzle rise compensation feature and adjust your shooting stance accordingly.
- Use the compensator only with compatible devices such as the Oppressor and FerFrans concussion reduction devices.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the muzzle of the firearm to remove any debris.
- Align the compensator with the muzzle threads.
- Screw the compensator onto the muzzle by turning it clockwise until snug. Do not overtighten.
- Check that the compensator is securely attached before use.

### 2. Usage:

- Always handle your firearm with care and follow standard firearm safety rules.
- When firing, maintain a firm grip on the firearm to manage recoil effectively.
- After use, allow the compensator to cool before handling, as it may become hot during firing.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Do not dispose of the compensator in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please consult the appropriate EUbased contact point or your local firearm safety authority.

Thank you for prioritizing safety while using the JAPAN TYPE89 COMP 2.0. Your adherence to these guidelines helps ensure a safe shooting experience.
