

# KING COMP WITH DUAL CHAMBER DESIGN TO REDUCED RECOIL - STRIKE INDUSTRIES 223/5.56 KING COMP 1/2-28 BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The Strike Industries King-Comp features a large dual chamber design, which was engineered to reduce felt recoil and help reduce the side concussion with the specifically angled gas ports. The King-Comp is a great alternative if you're looking for a cross between a compensator and a muzzle brake or effective "combo" muzzle device.

# Safety Instruction Guide for the KING COMP with Dual Chamber Design

## Introduction

Thank you for choosing the Strike Industries KING COMP with Dual Chamber Design. This product is designed to enhance your shooting experience by reducing recoil and side concussion. It is essential to follow safety guidelines to ensure safe and effective use. This guide provides important safety information, installation instructions, and disposal guidelines.

## General Safety Guidelines

- Always treat the KING COMP as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Use only approved ammunition that matches the specifications of your firearm.
- Never modify the KING COMP or any component of your firearm.
- Keep the KING COMP and all firearms out of reach of children and unauthorized users.
- Regularly inspect the KING COMP for wear and damage before use.
- Follow all local, state, and national laws regarding firearm accessories and usage.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the KING COMP is installed correctly to prevent malfunctions.
- Wear appropriate eye and ear protection when firing your firearm.
- Avoid using the KING COMP in environments where it may create a risk of injury to yourself or others.
- Do not use the KING COMP if it shows signs of damage or excessive wear.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use the KING COMP only on compatible firearms (e.g., AR15) and calibers (.223.224).
- Follow the manufacturer's instructions for the specific firearm you are using.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device if applicable.
- Clean the threads of the barrel to ensure proper installation.
- Screw the KING COMP onto the barrel threads (1/228) until secure. Do not overtighten.
- Ensure that the gas ports are oriented correctly as per the manufacturer's instructions.

### 2. Usage

- Before firing, doublecheck that the KING COMP is securely attached to the firearm.
- Always use the KING COMP in a wellventilated area.
- Follow the recommended firing practices for your specific firearm to maximize the effectiveness of the KING COMP.
- After firing, clean the KING COMP and surrounding area to maintain performance and safety.

## Disposal Instructions

- Dispose of the KING COMP in accordance with local regulations.
- If the KING COMP is damaged or no longer usable, do not discard it in regular waste.

- Contact your local waste management authority for proper disposal methods for firearm accessories.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please contact the manufacturer or authorized dealer. Ensure that you have your product details ready for quicker assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with the KING COMP. Thank you for prioritizing safety in your shooting activities.
