

# AR-15 PDW STOCK ASSEMBLY - STRIKE INDUSTRIES PDW STOCK ASSEMBLY BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The Strike Industries AR-15 PDW stock represents the pinnacle of ultra compact PDW systems. At the compressed position, the compact PDW allows for effortless maneuverability particularly in close quarters and vehicular operations. With the press of a button, the rapid deployment system instantly springs to the extended position for greater shot stability. Previous PDW systems for ARs have been notorious for expensive proprietary systems, spotty reliability and poor ergonomics. The PDW Stock is designed to drop into your existing platform. The buffer system is carefully engineered to provide for high reliability while allowing for the use of standard bolt carriers, allowing for multi-role use with a single system. The included flat wire spring increases bolt load despite the compact dimensions for greater reliability, even in extreme short barrel configurations. In addition to mechanical reliability and performance, Strike Industries have also paid close attention to human factors to increase comfort and controllability. The low footprint shoulder weld is shaped to conform to the shoulder pocket for maximum stability and control even in compromised or unconventional shooting positions. Included with the PDW is a rubberized cheek rest to create a comfortable cheek weld, a criticism of many competitor PDW systems. Finally, a PDW stock without compromise. Strike Hard, Strike Fast with the SI Viper PDW.

## Attributes

- Name: [STRIKE INDUSTRIES PDW STOCK ASSEMBLY BLACK](#)
- Manufacturer: [STRIKE INDUSTRIES](#)
- Product no.: 100037249
- Mfr. No.: SI-STRIKE-PDW-BK
- Colour: Black
- Material: Polymer
- Style: Adjustable
- Type: Compact
- Weapon type: AR-15
- Delivery weight: 0.776kg
- Shipping height: 89mm
- Shipping width: 127mm
- Shipping length: 337mm
- UPC: 708747545647

## Item details

US export classification: 0A501.x

# Safety Instruction Guide for the AR15 PDW Stock Assembly

## Introduction

Thank you for choosing the Strike Industries AR15 PDW Stock Assembly. This guide provides essential safety instructions and important information to ensure safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always follow local laws and regulations regarding firearms and accessories.
- Ensure that the product is compatible with your specific AR15 platform.
- Inspect the product for any damage or defects before use.
- Store the product in a safe, dry place when not in use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the product only as intended and according to the manufacturer's instructions.
- Ensure that the firearm is unloaded before attaching or detaching the stock assembly.
- Do not modify the product in any way, as this may compromise safety and functionality.
- Be cautious of the low footprint shoulder weld, ensuring it is properly aligned to avoid discomfort or injury during use.
- Always wear appropriate safety gear, including eye protection, when using the firearm.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing stock from the AR15 platform, following the manufacturer's guidelines.
3. Align the PDW Stock Assembly with the buffer tube, ensuring it is properly seated.
4. Secure the stock assembly in place, following the specific tightening instructions provided by the manufacturer.
5. Confirm that the stock is locked in the desired position before use.

### Usage

- To deploy the stock, press the designated button and allow the stock to extend fully.
- Ensure the stock is securely locked in the extended position before firing.
- Adjust the stock to your preferred length of pull for optimal comfort and control.
- Practice safe handling and operation of the firearm at all times.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for firearms accessories.
- If the product is damaged or no longer functional, do not attempt to repair it; instead, dispose of it responsibly.
- Recycle any plastic components where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 PDW Stock Assembly, please consult the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Strike Industries AR15 PDW Stock Assembly. Thank you for your attention to safety and responsible usage.
