

AR-15 SV COMPENSATORS - CMMG AR-15 5.56MM COMPENSATOR SV BRAKE 1/2 -28

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

A Single-Chamber Brake Designed to Aid in Controlling Recoil

Tired of your AR-15 jumping off target with every shot? The typical AR-15 recoil pattern is for the muzzle to lift high and to the right with every shot, and the CMMG SV Compensator designed for the AR-15 is built to counteract that tendency. Inspired by the design of the remarkably effective single-chamber brake on the Russian AK-74, the CMMG SV Brake is machined from steel and fits all standard 1/2-28 TPI muzzle threads. The SV Compensator is also available in a .30-caliber model complete with 5/8-24 TPI muzzle threads. Each brake ships with a crush washer for installation.

Attributes

- Name: [CMMG AR-15 5.56MM COMPENSATOR SV BRAKE 1/2 -28](#)
- Manufacturer: [CMMG](#)
- Product no.: 100037943
- Mfr. No.: 55DA577
- Caliber: 22 Caliber (.223-.224)
- Finish: Black
- Material: Steel
- Threads: 1/2-28
- Weapon type: AR-15
- Delivery weight: 0.101kg
- Shipping height: 25mm
- Shipping width: 83mm
- Shipping length: 178mm
- UPC: 815835016122

Safety Instruction Guide for CMMG AR15 5.56MM Compensator SV Brake

Introduction

Thank you for purchasing the CMMG AR15 5.56MM Compensator SV Brake. This guide provides essential safety information and instructions for the safe use and installation of your compensator. By following these guidelines, you can ensure a safer shooting experience.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Be aware of your target and what is beyond it.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Use appropriate eye and ear protection when shooting.
- Regularly inspect your firearm and accessories for wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the compensator is compatible with your AR15 model before installation.
- Only use the compensator with ammunition that is appropriate for the specified caliber.
- Avoid using the compensator if it shows signs of damage or wear.
- Do not modify the compensator in any way; alterations may affect its performance and safety.
- Keep hands and face clear of the muzzle when firing to prevent injury from gas and debris.
- Ensure that the area around you is clear of people and flammable materials when shooting.
- Be aware that the compensator may increase noise levels; use appropriate hearing protection.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools:** You will need a crush washer and a wrench or tool suitable for tightening the compensator.
2. **Safety First:** Ensure that your firearm is unloaded and pointed in a safe direction.
3. **Remove Existing Muzzle Device:** If applicable, remove any existing muzzle device from your AR15.
4. **Install Crush Washer:** Place the crush washer onto the muzzle threads of your firearm.
5. **Attach Compensator:** Screw the CMMG SV Compensator onto the muzzle threads, ensuring it is aligned correctly.
6. **Tighten:** Use the wrench or tool to tighten the compensator securely, but do not overtighten.
7. **Final Check:** Ensure that the compensator is firmly attached and that there are no gaps between it and the crush washer.

Usage Instructions

- Always verify that your firearm is in good working condition before use.
- Load your firearm according to the manufacturer's guidelines.
- Fire in a controlled environment, ensuring all safety precautions are followed.
- Monitor the performance of the compensator during use; if you notice any issues, stop using it immediately and check for damage.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations.
- Do not throw away in regular household waste; check for recycling or hazardous waste disposal options.
- If the compensator is damaged or no longer usable, ensure it is rendered unusable before disposal to prevent misuse.

Contact Information for Further Support

For any questions or concerns regarding the CMMG AR15 5.56MM Compensator SV Brake, please refer to your retailer or manufacturer's website for further assistance. Ensure that you have the product information available for efficient support.

Conclusion

By following these safety instructions, you can enhance your shooting experience while minimizing risks. Always prioritize safety and be aware of your surroundings when using any firearm accessory. Thank you for choosing the CMMG AR15 5.56MM Compensator SV Brake. Enjoy your shooting!
