

AR-15 SV COMPENSATORS - CMMG AR-15 30 CAL COMPENSATOR SV BRAKE 5/8 -24

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

A Single-Chamber Brake Designed to Aid in Controlling Recoil

Tired of your AR-15 jumping off target with every shot? The typical AR-15 recoil pattern is for the muzzle to lift high and to the right with every shot, and the CMMG SV Compensator designed for the AR-15 is built to counteract that tendency. Inspired by the design of the remarkably effective single-chamber brake on the Russian AK-74, the CMMG SV Brake is machined from steel and fits all standard 1/2-28 TPI muzzle threads. The SV Compensator is also available in a .30-caliber model complete with 5/8-24 TPI muzzle threads. Each brake ships with a crush washer for installation.

Attributes

- Name: [CMMG AR-15 30 CAL COMPENSATOR SV BRAKE 5/8 -24](#)
- Manufacturer: [CMMG](#)
- Product no.: 100037944
- Mfr. No.: 38DA54C
- Caliber: 30 Caliber (.308)
- Finish: Black
- Material: Steel
- Threads: 5/8-24
- Weapon type: AR-15
- Delivery weight: 0.086kg
- Shipping height: 25mm
- Shipping width: 83mm
- Shipping length: 178mm

Safety Instruction Guide for CMMG AR15 30 Cal Compensator SV Brake

Introduction

Thank you for choosing the CMMG AR15 30 Cal Compensator SV Brake. This product is designed to enhance your shooting experience by reducing recoil and muzzle rise. It is important to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

General Safety Guidelines

- Always treat your firearm as if it is loaded, even when it is not.
- Ensure that the compensator is installed correctly before using your firearm.
- Use only compatible ammunition with your AR15 and the compensator.
- Keep the compensator and firearm clean and wellmaintained.
- Store the compensator and firearm in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure that the firearm is unloaded before installation.
- Use the provided crush washer to secure the compensator properly.

• Usage Precautions:

- Always wear appropriate eye and ear protection when firing your firearm.
- Do not fire the firearm with the compensator obstructed or blocked.
- Be aware of your surroundings and ensure a safe shooting environment.

• Maintenance Precautions:

- Regularly inspect the compensator for wear or damage.
- Clean the compensator according to the manufacturer's recommendations.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing muzzle device if applicable.
- Place the crush washer onto the muzzle threads.
- Screw the CMMG SV Compensator onto the muzzle threads (5/824 TPI).
- Tighten securely using a suitable tool, ensuring not to overtighten.

2. Usage:

- Load your AR15 with compatible ammunition.
- Aim at the target, ensuring a clear line of sight.
- Fire the firearm while maintaining a firm grip and stance.
- Observe the compensator's performance and adjust as necessary.

3. **PostUsage:**

- Clean the compensator and firearm after use.
- Store the firearm and compensator securely.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations.
- Do not dispose of the compensator in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support regarding the CMMG AR15 30 Cal Compensator SV Brake, please refer to the product packaging or visit the manufacturer's website for additional resources.

Thank you for prioritizing safety in your shooting activities. Enjoy your enhanced shooting experience with the CMMG AR15 30 Cal Compensator SV Brake.
