An Upgraded Safety Selector for Your AR-15

Ever been annoyed by the soft, mushy engagement of a mil-spec safety selector? If you're looking for that definite, tactile "Click!" that gives you a solid indication of your gun snapping into position during engagement, then the Geissele Posi-Lock Ambidextrous Safety is a must-have for your rifles. Not only does the Geissele Posi-Lock Ambidextrous Safety provide a secure, tactile feel when locked into position, it's also designed for easy access with either shooting hand, and the unit's 400 Series stainless-steel construction ensures that it'll provide dependable service through harsh conditions, if needed.

Safety Instruction Guide for Geissele Automatics AR15 Ambidextrous PosiLock Safety

Introduction

Thank you for choosing the Geissele Automatics AR15 Ambidextrous PosiLock Safety. This safety selector is designed to enhance your shooting experience by providing a reliable and tactile engagement. It is essential to follow the safety guidelines and instructions outlined in this document to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that you have a clear shot before firing.
- Regularly inspect your firearm and accessories for wear or damage.
- Store your firearm and accessories securely, out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the Geissele PosiLock Ambidextrous Safety is properly installed before using your firearm.
- Do not attempt to modify or alter the safety selector in any way.
- Always engage the safety when the firearm is not in use.
- Be aware that the tactile feedback provided by the safety selector is crucial for confirming its engagement.
- If you experience any issues with the safety selector, discontinue use and seek assistance.

Instructions for Installation and Usage

1. Installation

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing safety selector according to the manufacturer's instructions.
- Install the Geissele PosiLock Ambidextrous Safety by following these steps:
 - Align the safety selector with the receiver.
 - Insert the safety selector into the designated slot.
 - Ensure it is fully engaged and rotates smoothly.
 - Reinstall any retaining pins or components as per the manufacturer's guidelines.

2. Usage

- To engage the safety, rotate the selector to the "Safe" position.
- To disengage the safety, rotate the selector to the "Fire" position.
- Always verify that the safety is engaged before handling or transporting your firearm.
- Familiarize yourself with the tactile "Click!" sound when the safety is engaged or disengaged.

Disposal Instructions

- Dispose of the product responsibly and in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling materials where possible.

- Ensure that any components are disposed of securely to prevent unauthorized use.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety and responsibility while using the Geissele Automatics AR15 Ambidextrous PosiLock Safety. Your adherence to these guidelines helps ensure a safe shooting experience.
