

AR-15 B2 EXTENDED MAG RELEASES - ARMASPEC B2 EXTENDED MAG RELEASE BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Magazine Parts](#) > [Magazine Releases](#)

A Skeletonized Magazine Release for Your Lightweight AR

If you're aiming for a truly lightweight rifle platform, then shaving off every bit of metal is critical, even on the small components. To support AR builders in this goal, Armaspec developed its AR-15 B2 Extended Magazine Release. This extended magazine release provides an enhanced overall length over a mil-spec magazine release, so you'll be sure to get more positive engagement when you go to release a magazine. However, the skeletonized construction of this mag release means that all unnecessary material has been removed without compromising the strength of the design, so you'll have the lightest release possible on your rifle. The Armaspec AR-15 B2 Extended Mag Releases are compatible with all 5.56/.223 and 7.62/.308 AR receivers.

Attributes

AR15 B2 Extended Mag Release Safety Instruction Guide

Introduction

Thank you for choosing the AR15 B2 Extended Mag Release by Armaspec. This product is designed to enhance your rifle's functionality while ensuring a lightweight design. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- In case of any issues, stop using the product immediately and seek assistance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or handling the magazine release.
- Avoid using excessive force when operating the magazine release to prevent damage.
- Do not modify the magazine release in any way, as this can compromise safety and performance.
- Be mindful of your surroundings and ensure a safe environment when using the firearm.
- Use only with compatible AR15 models, specifically those that accept 5.56/.223 and 7.62/.308 magazines.

Instructions for Installation and Usage

Installation Instructions

1. **Safety First:** Ensure the firearm is completely unloaded and pointed in a safe direction.
2. **Remove the Old Release:** If applicable, carefully remove the existing magazine release by following these steps:
 - Locate the magazine release button on your AR15.
 - Use a suitable tool to depress the magazine release catch while turning it counterclockwise to remove it.
3. **Install the New Mag Release:**
 - Align the Armaspec B2 Extended Mag Release with the magazine release hole.
 - Press it into place and turn clockwise until securely fastened.
4. **Test the Installation:** Ensure the magazine release functions correctly by inserting and removing a magazine.

Usage Instructions

- To release the magazine, press the extended magazine release button firmly.
- Ensure that the magazine is completely disengaged before attempting to remove it from the firearm.
- Always check that the firearm is safe and unloaded after removing the magazine.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.

- If the product is damaged or no longer functional, consider returning it to the manufacturer for proper disposal.

Contact Information for Further Support

For any questions or concerns regarding the AR15 B2 Extended Mag Release, please refer to the manufacturer's support resources. Always ensure that you have the latest information regarding product safety and compliance.

Thank you for prioritizing safety and compliance while using the AR15 B2 Extended Mag Release.
