

# AR-15 S2 ENHANCED TRIGGER GUARDS - ARMASPEC S2 ENHANCED TRIGGER GUARD BLACK

[Rifle Parts](#) > [Triggers Parts](#) > [Trigger Guards](#)

## An Enlarged Trigger Guard for Gloved Hands

Machined from billet aluminum, the Armaspec AR-15 S2 Enhanced Trigger Guard provides more space inside the trigger well for shooters with large hands or oversized gloves. An added benefit of this design is the improved contour that eliminates the space between the grip and trigger guard often seen with mil-spec trigger guards. Despite this seamless fit, the Armaspec S2 Enhanced Trigger guard drops into any mil-spec AR-15 lower receiver with no fitting required. Along with the guard itself, you'll get the setscrew, hex key and roll pin needed for installation. The guard is compatible with all 5.56/.223 and 7.62/.308 lower receivers on the market, and this USA-made component is covered by the company's lifetime warranty.

## Attributes

- Name: [ARMASPEC S2 ENHANCED TRIGGER GUARD BLACK](#)
- Manufacturer: [ARMASPEC](#)
- Product no.: 100038346
- Mfr. No.: ARM131-BLK

# AR15 S2 Enhanced Trigger Guard Safety Instructions

## Introduction

Thank you for choosing the AR15 S2 Enhanced Trigger Guard from Armaspec. This product is designed to enhance your shooting experience by providing a comfortable and secure fit for your firearm. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow all safety protocols.
- Inspect the trigger guard for any damage or defects before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Do not modify the trigger guard or firearm in any way that may compromise safety.
- Ensure that your hands are dry and free from oil or contaminants when handling the trigger guard.
- Avoid using the product if you notice any irregularities or if it does not fit properly on your firearm.
- Store the trigger guard in a safe place when not in use to prevent accidental damage.

## Instructions for Installation and Usage

### 1. Gather Required Tools:

- Setscrew
- Hex key
- Roll pin

### 2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger guard from the lower receiver of your AR15.
- Align the Armaspec S2 Enhanced Trigger Guard with the trigger well, ensuring a seamless fit.
- Secure the trigger guard using the provided setscrew and roll pin.
- Tighten the screws using the hex key until snug, but do not overtighten.
- Confirm that the trigger guard is securely attached and does not interfere with the operation of the trigger or safety mechanisms.

### 3. Usage Instructions:

- Once installed, familiarize yourself with the new trigger guard.
- Practice safe handling and operation of your firearm at all times.
- Regularly inspect the trigger guard for any signs of wear or damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling options available in your area.

## Contact Information for Further Support

For any inquiries regarding safety or product information, please contact the manufacturer directly through their official channels.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your shooting experience with the AR15 S2 Enhanced Trigger Guard!
