

AR-15 XPDW STOCKS GEN 2 - ARMASPEC XPDW STOCK GEN 2 BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

A PDW Stock Designed to Fit Your Mil-Spec Buffer Tube

Designed to fit all standard AR-15 rifles, the Armaspec XPDW Gen 2 Stock features a compact, easily collapsible size that reduces the overall profile of your gun, allowing it to store and maneuver easily. The stock itself is machined from aluminum and features hardened-steel rods that guide it in and out of position. An ambidextrous latch allows for easy operation with either hand, and the entire unit mounts onto any standard mil-spec buffer tube without any modification. When collapsed, the Armaspec XPDW stock measures 6.875 inches long and extends out to a full length of 10 inches. Made in the USA, the stock weighs 16.6 ounces. The stock is covered under the company's lifetime warranty.

Attributes

- Name: [ARMASPEC XPDW STOCK GEN 2 BLACK](#)

Armaspec XPDW Stock Gen 2 Safety Instructions

Introduction

Thank you for purchasing the Armaspec XPDW Stock Gen 2. This product is designed to enhance your AR15 rifle experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Ensure that the stock is compatible with your AR15 rifle before installation.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage.
- Do not modify the stock in any way that could compromise its integrity or safety.
- Follow all local laws and regulations regarding firearm modifications and use.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Ensure the firearm is unloaded before installing or adjusting the stock.
 - Use appropriate tools for installation to avoid damaging the stock or firearm.
- **Operational Precautions:**
 - Always use the ambidextrous latch with both hands for safe operation.
 - Never force the stock into position; it should glide smoothly along the buffer tube.
- **Storage Precautions:**
 - When not in use, store the firearm securely in a locked location.
 - Avoid exposing the stock to extreme temperatures or moisture, which could affect its performance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove any existing stock from the buffer tube using the appropriate tools.
- Slide the Armaspec XPDW Stock onto the milspec buffer tube until it is fully seated.
- Secure the stock using the ambidextrous latch, ensuring it is locked in place.

2. Adjusting the Stock:

- To collapse the stock, press the ambidextrous latch and gently slide the stock towards the buffer tube.
- To extend the stock, press the latch again and pull the stock away from the buffer tube until it locks into position.

3. Usage:

- Always ensure the stock is securely locked in place before using the firearm.
- Familiarize yourself with the stock's adjustments to ensure quick and safe operation in various shooting scenarios.

Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding aluminum and firearm accessories.
- If the stock is damaged or no longer usable, consider recycling it at an appropriate facility to minimize environmental impact.

Contact Information for Further Support

For any inquiries related to the Armaspec XPDW Stock Gen 2, please refer to the manufacturer's website or contact their customer support for assistance. Always ensure that you have the latest safety updates and product information.

Thank you for prioritizing safety and compliance while enjoying your Armaspec XPDW Stock Gen 2.
