Safety Instruction Guide for THE GRIPCHANGER KIT AREA 419 GRIPCHANGER WITH RAILCHANGER COMBO

Introduction

Thank you for purchasing the GripChanger Kit from Area 419. This guide provides essential safety instructions to ensure the safe use of your product. Please read this guide carefully before using the GripChanger Kit.

General Safety Guidelines

- Ensure that the GripChanger Kit is used only for its intended purpose, which is to assist in building positions and stability in shooting applications.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the GripChanger Kit for any signs of wear or damage before each use.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer for further assistance.
- Store the GripChanger Kit in a cool, dry place away from direct sunlight to preserve its quality and functionality.

Specific Safety Precautions for Use

- Do not use the GripChanger Kit on unstable surfaces or in hazardous environments that may cause slips or falls.
- Ensure that the bag is securely positioned before applying any weight or pressure to it.
- Avoid overloading the GripChanger Bag beyond its recommended weight limit of 1 lb to prevent damage or accidents.
- Be cautious when using the ARCALOCK Clamp; ensure it is properly secured before use to avoid unintended release.
- When using the Rail Changer Arm, follow all manufacturer guidelines to ensure proper attachment and stability.

Instructions for Installation and Usage

Installation

1. **Unpack the Kit:** Carefully remove all components from the packaging. Ensure you have the following items:
 - Custom Area 419 GripChanger Bag
 - ARCALOCK Clamp
 - Area 419 Rail Changer Arm
2. **Inspect Components:** Check each item for any visible damage. Do not use any damaged components.
3. **Attach the ARCALOCK Clamp:**
 - Locate the attachment point on your firearm or equipment.
 - Secure the ARCALOCK Clamp by following the manufacturer's instructions for tightening and securing.
4. **Install the Rail Changer Arm:**

- Attach the Rail Changer Arm to the designated area on your setup.
- Ensure it is firmly secured and stable before proceeding.

Usage

1. Positioning the GripChanger Bag:

- Place the GripChanger Bag on a stable surface.
- Adjust its position as needed to achieve the desired height and stability.

2. Using the GripChanger Kit:

- When ready to use, ensure that all components are securely attached and stable.
- Apply weight gradually and ensure the setup remains stable throughout use.

3. PostUse Care:

- After use, carefully remove the GripChanger Kit components.
- Clean any dirt or debris from the components before storing them.

Disposal Instructions

- Dispose of the GripChanger Kit responsibly in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Always check local guidelines for the proper disposal of any components.

Contact Information for Further Support

For any safety inquiries or support regarding the GripChanger Kit, please reach out to your local Area 419 representative or check the official website for more information.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your GripChanger Kit. Always prioritize safety and care during use, and do not hesitate to seek assistance if needed. Thank you for choosing Area 419!
