[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

Increases Your 700's Mag Capacity - PLUS the Convenience of Super-Fast Reloads

LEGACY SPORTS INTERNATIONAL REMINGTON 700 DETACHABLE MAGAZINE DROP-IN KITS The Ammo Boost Detachable Magazine Drop-In Kit for the Remington 700 BDL from Legacy Sports International contains everything you need to boost your 700's magazine capacity. At the same time, you'll also get the speed and convenience of a detachable box magazine for ultra-fast reloads. Each Ammo Boost kit consists of (1) the magazine itself and (2) a drop-in bottom metal assembly that replaces your rifle's triggerguard, hinged floorplate, and the surrounding frame. All components are constructed of reinforced, injection-molded, impact-resistant polymer. This super-tough polymer keeps weight and your out-of-pocket cost down. Gives detachable box-mag versatility to a Remington 700 BDL Durable, lightweight molded-polymer construction Easy, drop-in installation 5- and 10-round REMINGTON 700 DETACHABLE MAGAZINE DROP-IN KITS capacities available TORQUE: 30 - 35 inch lbs. on screws Installation of the Ammo Boost Detachable Magazine Drop-In Kit is fast and simple. Just remove the factory floorplate assembly and install the Legacy parts. (Save the factory part in case you ever want to return the rifle to its original configuration.) The kit is available in both 5-Rd and 10-Rd capacities for 700 BDL rifles chambered in a variety of popular cartridges. Why buy a whole new rifle when you can increase the versatility AND magazine capacity of the Remington 700 BDL you already own with an Ammo Boost kit?

REMINGTON 700 Detachable Magazine DropIn Kit

Safety Instructions

Introduction

Thank you for choosing the REMINGTON 700 Detachable Magazine DropIn Kit from Legacy Sports International. This guide provides essential safety instructions and usage guidelines to ensure safe and effective operation of your new magazine kit. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always handle firearms with care and ensure they are pointed in a safe direction.
- Ensure that the firearm is unloaded before installing or modifying any components.
- Keep the kit and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the magazine and firearm for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Use only compatible Remington 700 BDL rifles with this magazine kit.
- Ensure that you are using the correct ammunition type (.223 Rem or .204 Ruger) for your rifle.
- Do not exceed the magazine capacity as specified in the product details (5round or 10round).
- When loading the magazine, do so in a safe environment, ensuring the firearm is pointed in a safe direction.
- Be aware of the potential for magazinereLATED malfunctions. If you experience feeding issues, stop using the magazine and inspect it for damage.
- Always wear appropriate safety gear, including eye protection, when handling firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe working environment.
- Gather necessary tools for installation (e.g., screwdriver).

2. Remove Factory Floorplate Assembly:

- Carefully detach the factory floorplate assembly from your Remington 700 BDL rifle.
- Set aside the factory parts for potential future use.

3. Install Legacy Parts:

- Insert the dropin bottom metal assembly into the rifle, ensuring it fits securely.
- Attach the magazine to the bottom metal assembly.
- Tighten screws to a torque of 30 35 inch lbs. to ensure a secure fit.

4. Loading the Magazine:

- Load the magazine with the appropriate ammunition, ensuring it is seated correctly.
- Insert the magazine back into the rifle until it clicks into place.

5. Testing:

- Conduct a function check to ensure the magazine operates correctly with the firearm.
- Fire a few rounds in a safe environment to confirm proper operation.

Disposal Instructions

- Dispose of any damaged or defective components in accordance with local regulations.
- Ensure that all parts are disposed of safely and do not pose a hazard to the environment or public safety.
- If the product is no longer needed, consider recycling components where possible.

Contact Information for Further Support
