# Safety Instruction Guide for the 1911 Ridge Match Grade Trigger

## Introduction

Thank you for choosing the 1911 Ridge Match Grade Trigger by Fusion Firearms. This guide provides essential safety instructions to ensure the proper use and maintenance of your trigger. Please read this manual thoroughly before installation and use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms and ammunition securely and out of reach of children.
- Use appropriate eye and ear protection when handling firearms.
- Ensure that your trigger is compatible with your firearm model before installation.
- Regularly inspect your trigger for any signs of wear or damage.

## Specific Safety Precautions for Use

- Do not modify the trigger in any way that is not recommended by the manufacturer.
- Ensure that the firearm is unloaded before attempting to install or replace the trigger.
- Avoid using the trigger if it shows signs of damage or malfunction.
- Be aware that improper installation can lead to unsafe conditions. Follow installation instructions carefully.
- Always engage the safety mechanism of your firearm unless you are ready to fire.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools: screwdriver, punch set, and any other tools as specified in the firearm's manual.

### 2. Installation Steps:

- Remove the grip panels of your 1911 firearm to access the trigger assembly.
- Carefully remove the old trigger by following the specific steps outlined in your firearm's manual.
- Install the new 1911 Ridge Match Grade Trigger by reversing the removal steps, ensuring it is securely in place.
- Adjust the trigger bow according to your preference, following the manufacturer's instructions.
- Reattach the grip panels securely.

### 3. PostInstallation:

- Conduct a function check to ensure the trigger operates correctly.
- Test the trigger in a safe environment, ensuring all safety protocols are followed.

## Disposal Instructions

- Dispose of the trigger responsibly if you no longer require it.
- Follow local regulations for electronic waste and metal disposal.

- If the trigger is damaged, do not attempt to repair it; dispose of it in accordance with safety guidelines.

## **Contact Information for Further Support**
