# FRAME PIN SET FOR GLOCK® GEN3 TITANIUM

## Safety Instruction Guide

### Introduction

Thank you for choosing the FRAME PIN SET FOR GLOCK® GEN3/4 by RIVAL ARMS. This product is designed to enhance your firearm's performance and reliability. To ensure safe and effective use, please read this safety instruction guide carefully. It outlines essential safety guidelines, precautions, and instructions for installation and usage.

### General Safety Guidelines

- Ensure that all components are compatible with your specific Glock® model.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Store the frame pin set in a secure location away from children and unauthorized users.
- Regularly inspect all firearm components for wear and damage before use.
- If you experience any issues during installation or use, seek professional assistance.

### Specific Safety Precautions for Use

- Use only the recommended tools for installation to avoid damaging the pins or the frame.
- Do not force any components into place; this could lead to misalignment or damage.
- Always wear appropriate safety gear, such as safety glasses, during installation.
- Keep your workspace clean and organized to prevent accidents.
- Do not modify the frame pin set or use it in a manner not intended by the manufacturer.

### Instructions for Installation and Usage

#### 1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools, including a punch tool and hammer.

#### 2. Installation

- Remove the existing frame pins from your Glock® using the punch tool.
- Align the new frame pin with the hole in the frame.
- Gently tap the frame pin into place using the hammer and punch tool, ensuring it is seated properly.
- Repeat the process for all frame pins included in the set.

#### 3. PostInstallation Check

- Once all pins are installed, perform a visual inspection to ensure they are secure and properly aligned.
- Test the functionality of your firearm to ensure everything operates smoothly.

#### 4. Usage

- Follow all standard operating procedures for your Glock® when using the firearm.
- Regularly check the frame pins for signs of wear or loosening during routine maintenance.

## **Disposal Instructions**

- Dispose of any old or damaged frame pins in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the FRAME PIN SET FOR GLOCK® GEN3/4, please refer to the manufacturer's official website or contact their customer support for assistance.

By following these guidelines and instructions, you can ensure a safe and effective experience with your FRAME PIN SET FOR GLOCK® GEN3/4. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
