Safety Instruction Guide for FRAME PIN SET FOR GLOCK® GEN3/4 RIVAL ARMS FRAME PIN SET FOR GLOCK® GEN3 STAINLESS

Introduction

Thank you for choosing the FRAME PIN SET FOR GLOCK® GEN3/4 from RIVAL ARMS. This guide provides essential safety instructions to ensure the safe use and installation of the product. Please read this guide carefully before using the product to ensure proper handling and to minimize any risks associated with its use.

General Safety Guidelines

- Always handle firearms and firearm components with care and in accordance with local laws and regulations.
- Ensure that the FRAME PIN SET is compatible with your specific Glock® model before installation.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Ensure that your firearm is unloaded before attempting to install or replace any parts.
- Use appropriate tools and wear safety glasses during installation to protect against debris.
- Avoid using excessive force when installing the frame pins to prevent damage to the firearm or the pins.
- Do not modify the frame pin set in any way, as this may compromise safety and functionality.
- If you experience any difficulties during installation, consult a qualified gunsmith or firearms expert.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools, including a punch tool and hammer.
- Ensure your workspace is clean and welllit.

2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing frame pins from your Glock® by using the punch tool to gently tap them out.
- Align the new frame pins with the holes in the frame.
- Use the punch tool to carefully insert the new frame pins, ensuring they are seated properly.
- Verify that the pins are secure and that the firearm operates smoothly.

3. PostInstallation Check:

- After installation, perform a function check to ensure that the firearm operates correctly.
- Store the firearm in a secure location when not in use.

Disposal Instructions

- Dispose of any damaged or wornout frame pins in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling or hazardous

waste facility.

Contact Information for Further Support

For any questions or concerns regarding the FRAME PIN SET, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure a safe and effective experience with the FRAME PIN SET FOR GLOCK® GEN3/4. Thank you for your attention to safety.
