

# RECON-S NO OFFSET SCOPE MOUNT - AMERICAN DEFENSE MANUFACTURING 35MM 30 MOA SCOPE MOUNT, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## Rock-Solid Mounts With Quick-Detach System

Quick-release lever-lock system clamps solidly to flattop rail and will not work loose even under heavy recoil—the more force acting on the lever, the tighter it locks. Depress the release tab to swing the lever open, and the mount easily lifts off the rifle. Adjustable with a flat head screwdriver or even a coin for an ultra-secure, no-slip fit on almost any Picatinny or Weaver-style rail, including over- or under-sized commercial rails. Lever may be configured to lock to the front or the rear to suit the operator's preference. Large locking bar on the side of the mount engages the maximum amount of rail area, while the crossbolt and two integral locking lugs ensure rock-solid engagement of rail slots to prevent movement under recoil. Five heavy duty steel hex head screws (three on top, two on bottom) clamp the vertically split ring halves together. Cutouts in the ring sides and in the base reduce weight without sacrificing strength. Quick-Release Scope Mount one-piece base with dual-lever system provides the same solid mounting and fast removal and reattachment.

## Attributes

- Name: [AMERICAN DEFENSE MANUFACTURING 35MM 30 MOA SCOPE MOUNT, BLACK](#)
- Manufacturer: [AMERICAN DEFENSE MANUFACTURING](#)
- Product no.: 100038657
- Mfr. No.: AD-RECON-S-30MO
- Elevation: 30 MOA
- Finish: Black
- Scope Tube Diameter: 35mm
- Style: Mount,Picatinny,Quick Detach
- Delivery weight: 0.306kg
- Shipping height: 57mm
- Shipping width: 83mm
- Shipping length: 197mm

# RECONS NO OFFSET SCOPE MOUNT Safety Instruction Guide

## Introduction

Thank you for choosing the RECONS NO OFFSET SCOPE MOUNT by American Defense Manufacturing. This guide provides essential safety instructions to ensure the safe use of your scope mount. Please read this guide carefully before installation and usage to prevent accidents and ensure optimal performance.

## General Safety Guidelines

- **Product Safety:** This scope mount is designed for safe use with firearms. Ensure that you understand the operation of your firearm and the scope mount before use.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. If a recall occurs, follow the instructions provided for returning the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements. Verify that the product is genuine and meets all safety standards.
- **Special Consumer Focus:** Keep this product away from children and vulnerable individuals. This product is not intended for use by those under the age of 18 without adult supervision.
- **EU Contact Point:** For any safety inquiries, please refer to the relevant EU contact point available through the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on any unsafe products, including this scope mount.

## Specific Safety Precautions for Use

- **Check Compatibility:** Ensure that the scope mount is compatible with your firearm and scope. Verify that the rail system is a Picatinny or Weaverstyle rail.
- **Inspect Before Use:** Always inspect the scope mount for any signs of damage or wear before installation. Do not use if damaged.
- **Secure Fit:** Ensure that the mount is securely fastened to the rail to prevent movement during use. Loose fittings can lead to accidents.
- **Avoid OverTightening:** While securing the mount, do not overtighten screws as this may damage the mount or the rail.
- **Proper Handling:** Handle the scope mount carefully during installation and removal to avoid injury.
- **Follow Firearm Safety Rules:** Always adhere to standard firearm safety rules when mounting or using the scope.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** Ensure you have a flat head screwdriver or a coin for adjustments.
2. **Prepare the Rifle:** Ensure the firearm is unloaded and pointed in a safe direction.
3. **Position the Mount:** Align the scope mount with the Picatinny or Weaverstyle rail.
4. **Secure the Mount:**
  - Close the lever until it clicks into place.
  - Use a flat head screwdriver or coin to tighten the screws if necessary.
5. **Check Fit:** Ensure the mount is securely attached and does not move. Adjust the lever to lock to the front or rear based on preference.

## Usage

- **Adjusting the Scope:** Make necessary adjustments to the scope after mounting to ensure proper alignment with your target.
- **Regular Maintenance:** Periodically check the mount for tightness and inspect for any signs of wear or damage.
- **Removing the Mount:** To remove, depress the release tab and swing the lever open. Lift the mount off the rifle carefully.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the scope mount in accordance with local regulations regarding electronic waste and metal disposal.
- **Recycling:** If possible, recycle the mount to minimize environmental impact.

## Contact Information for Further Support

For any further assistance or inquiries regarding the RECONS NO OFFSET SCOPE MOUNT, please refer to the retailer or manufacturer's contact information provided at the point of purchase. Make sure to have your purchase details ready for efficient support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your RECONS NO OFFSET SCOPE MOUNT. Always prioritize safety and responsible handling of firearms and accessories.
