

# RECON-SL BOLT ACTION SCOPE MOUNTS - AMERICAN DEFENSE MANUFACTURING 30MM 0 MOA BOLT ACTION MOUNT, FLAT DARK EARTH

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Similar to the AD-RECON-S, the AD-RECON-SL mount is made for putting high power glass onto a bolt action rifle. This is the lowest mount that AMD offers. The AD-RECON-SL is a straight up scope mount with no eye relief built in. It is precision machined from 6061 T6 aluminum and finished in hard coat T3 Mil-Spec anodize. It features the Patented QD Auto Lock Lever system to accommodate both in spec and out of spec rail systems.

## Attributes

- Name: [AMERICAN DEFENSE MANUFACTURING 30MM 0 MOA BOLT ACTION MOUNT, FLAT DARK EARTH](#)
- Manufacturer: [AMERICAN DEFENSE MANUFACTURING](#)
- Product no.: 100038668

# Safety Instruction Guide for RECONSL BOLT ACTION SCOPE MOUNTS

## Introduction

Thank you for choosing the RECONSL Bolt Action Scope Mount by American Defense Manufacturing. This guide provides important safety information, installation instructions, and maintenance tips to ensure safe and effective use of your product. Please read this guide carefully before use.

## General Safety Guidelines

- **Product Safety:** Ensure that the mount is used only for its intended purpose, which is to secure a scope on a bolt action rifle.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided to return or remedy the product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please contact the designated EU support office.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on any safety alerts related to this product.

## Specific Safety Precautions for Use

- **Inspection:** Before installation, inspect the mount for any signs of damage or defects. Do not use if damaged.
- **Proper Fit:** Ensure that the mount is compatible with your rifle and scope specifications. Using an incompatible mount can lead to failure.
- **Torque Specifications:** Follow the manufacturer's torque specifications when tightening screws to prevent overtightening or loosening.
- **Secure Installation:** Ensure that the mount is securely attached to the rifle before use. A loose mount can cause scope misalignment or detachment.
- **Avoid Modifications:** Do not modify the mount or its components. Modifications can compromise safety and performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools: a torque wrench, appropriate screwdrivers, and any additional tools specified in the scope mount manual.
- Ensure the rifle is unloaded and safe to handle.

### 2. Installation:

- Place the mount onto the rifle's Picatinny rail.
- Align the mount with the desired position for optimal eye relief.
- Insert screws into the mount's base and handtighten them to hold the mount in place.
- Use the torque wrench to tighten the screws according to the manufacturer's specifications. Avoid overtightening.

### 3. Scope Attachment:

- Place the scope into the mount rings.
- Adjust the position of the scope for optimal eye relief.
- Tighten the scope rings securely, ensuring the scope is level.

#### **4. Final Check:**

- Doublecheck all screws and mounts to ensure everything is secure.
- Test the setup by gently shaking the rifle to ensure stability.

#### **5. Usage:**

- Always use the rifle and scope in a safe and controlled environment.
- Regularly check the mount and scope for any signs of wear or loosening during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the mount is damaged beyond use, consider recycling materials where applicable.
- Do not dispose of the mount in regular household waste.

## **Contact Information for Further Support**

For any additional questions or support, please refer to the manufacturer's contact details provided on the packaging or product documentation. Always ensure that you have the latest information regarding safety and product updates.

Thank you for your attention to these safety instructions. Your careful handling and adherence to these guidelines will help ensure a safe and enjoyable experience with your RECONSL Bolt Action Scope Mount.
