## A Cleaning Mat Designed to Aid in Handgun Disassembly

TekMat revolutionized the firearm-cleaning market with its line of cleaning mats that were more than just protective work surfaces. These cleaning mats included diagrams and schematics of today's popular firearms, allowing users to get an inside look at their gun and easily disassemble and reassemble firearms. The company's new Ultra 20 Pistol Cleaning Mat continues this legacy with a few improved elements. Each TekMat Ultra 20 Pistol Cleaning Mat is constructed using a clear dye-sublimation printing technique that makes the mat waterproof, scratchproof, oil- and chemical-resistant and washable. The company's direct-vulcanization technique adheres the mat's surface to a rubber backing, which provides padding and durability. The complete line of TekMat Ultra 20 Pistol Cleaning Mats includes a parts list that matches the manufacturer's list of parts, so there's no chance of confusion, and you'll always know what part goes where and which parts you might need to order to repair or complete your firearm. This line of pistol mats is available for the 1911, Beretta 92, Glock Gen 4, SIG Sauer P238 and P320 and the Springfield XD line.

# ULTRA 20 Pistol Cleaning Mat Safety Instructions

## Introduction

Thank you for choosing the ULTRA 20 Pistol Cleaning Mat. This product is designed to provide a safe and effective surface for cleaning your firearms. Please read this safety instruction guide carefully to ensure proper use and maintenance of the mat, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the cleaning mat is used in a wellventilated area.
- Keep the mat away from direct sources of heat or open flames.
- Avoid using sharp objects that may damage the mat's surface.
- Do not expose the mat to harsh chemicals beyond its intended use.
- Store the mat in a dry place when not in use.
- Regularly inspect the mat for any signs of wear or damage.

## Specific Safety Precautions for Use

- Always place the mat on a stable surface to prevent slipping.
- Ensure that firearms are unloaded before placing them on the mat.
- Keep cleaning supplies and tools out of reach of children and pets.
- Use caution when handling solvents and cleaning agents; follow the manufacturer's instructions.
- If any cleaning solution spills on the mat, clean it immediately to prevent staining or damage.

## Instructions for Installation and Usage

### 1. Unfolding the Mat

- Lay the mat flat on a stable surface.
- Ensure that the rubber backing is facing downwards.

### 2. Using the Mat

- Place your firearm in the center of the mat.
- Refer to the parts list printed on the mat for guidance on disassembly and reassembly.
- Use appropriate tools for cleaning and maintenance, ensuring they do not scratch or damage the mat.

### 3. Cleaning the Mat

- After use, wipe the mat with a damp cloth to remove any residue.
- For deeper cleaning, use mild soap and water; avoid abrasive cleaners.
- Allow the mat to air dry completely before storing.

### 4. Storage

- Roll or fold the mat neatly and store it in a cool, dry place.
- Avoid placing heavy objects on top of the mat during storage.

## Disposal Instructions

- Dispose of the mat in accordance with local regulations.
- If the mat is damaged beyond repair, consider recycling it if possible, or dispose of it in a waste facility

that handles rubber products.

## Contact Information for Further Support

For any inquiries related to the ULTRA 20 Pistol Cleaning Mat, please contact the manufacturer directly through the provided channels. Ensure you have your product details available for reference.

## Conclusion

By following these safety instructions, you can ensure the safe use of the ULTRA 20 Pistol Cleaning Mat. Always prioritize safety when handling firearms and cleaning materials. Thank you for your attention to these guidelines, and enjoy using your new cleaning mat.
