# Safety Instruction Guide for AR15 5 Slot Aluminum MLOK Rail Section

## Introduction

Thank you for choosing the Sons of Liberty Gun Works Aluminum 5 Slot Rail MLOK rail section. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as an attachment point for accessories compatible with MLOK rail systems.
- Always inspect the rail section for any damage before installation. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Use appropriate tools and follow the installation instructions closely to prevent personal injury and damage to the rail section.
- **Accessory Compatibility:**
  - Only attach accessories that are compatible with the MLOK system. Using incompatible accessories may compromise safety.
- **Weight Limits:**
  - Do not exceed the weight limit of the rail section. Excessive weight may lead to failure or detachment.
- **Environmental Conditions:**
  - Avoid exposing the rail section to extreme temperatures, moisture, or corrosive materials, as these may affect its integrity.
- **Regular Maintenance:**
  - Periodically check the rail section for tightness and wear. Loose fittings or signs of wear should be addressed immediately.

## Instructions for Installation and Usage

### 1. Installation:

- Gather necessary tools: a torque wrench and appropriate screws.
- Position the rail section on the MLOK compatible surface.
- Align the slots of the rail section with the MLOK slots on the device.
- Insert the screws through the rail section into the MLOK slots.
- Tighten the screws using a torque wrench to the manufacturer's recommended torque settings to ensure secure attachment.

### 2. Usage:

- Once installed, attach your desired accessories (e.g., lights, grips) to the rail section.
- Ensure that all accessories are securely fastened before use.
- Always check the stability of the attachments during use, especially after prolonged use or exposure to harsh conditions.

## **Disposal Instructions**

- Dispose of the rail section in accordance with local waste disposal regulations.
- If the rail section is damaged beyond repair, ensure it is disposed of in a manner that prevents accidental injury to others.
- Recycle aluminum components where facilities are available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the contact information provided by the manufacturer. It is essential to reach out for assistance if you have any questions or concerns regarding the safe use of your product.
