Safety Instruction Guide for 2.5" BOLT FACE LOGO VELCRO PATCH AR15.COM

Introduction

Thank you for choosing the 2.5" Bolt Face Logo Velcro Patch from AR15.COM. This guide provides essential safety instructions and guidelines to ensure safe use and enjoyment of your product. Please read this document carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Ensure that the Velcro patch is used only on appropriate surfaces, such as clothing or gear designed for patches.
- Do not use the patch on items that may come into contact with food or beverages.
- Keep the patch out of reach of children under the age of three to prevent choking hazards.
- Inspect the patch regularly for signs of wear or damage. Discontinue use if the patch shows any signs of deterioration.
- Avoid exposing the patch to extreme temperatures or harsh chemicals which may affect its adhesive properties.

Specific Safety Precautions for Use

- When attaching the patch, ensure that the surface is clean and dry to promote optimal adhesion.
- Do not pull or tug on the patch excessively once it is attached, as this may lead to peeling or damage.
- If the patch becomes detached during use, reattach it carefully following the installation instructions provided below.
- In case of skin irritation or allergic reaction to the patch, discontinue use immediately and consult a healthcare professional.

Instructions for Installation and Usage

1. Preparation:

- Choose the desired location on your clothing or gear for the patch.
- Clean the surface with a damp cloth to remove any dirt or oils. Allow it to dry completely.

2. Attaching the Patch:

- Peel off the backing from the Velcro patch to expose the adhesive side.
- Firmly press the adhesive side onto the chosen surface.
- Hold the patch in place for a few seconds to ensure good adhesion.

3. Removing the Patch:

- To remove the patch, gently peel it away from the surface. If it resists, use a little heat (like a hairdryer) to soften the adhesive before attempting to remove it.

4. Care Instructions:

- If the patch becomes dirty, clean it gently with a damp cloth. Do not use abrasive materials that may damage the patch.
- Avoid machine washing or drying the patch, as this may affect its adhesive properties.

Disposal Instructions

- Dispose of the patch responsibly. If it is damaged or no longer in use, place it in a waste bin.
- Do not dispose of the patch in a manner that may pose a hazard to the environment or wildlife.

Contact Information for Further Support

For any safety inquiries or further support regarding the 2.5" Bolt Face Logo Velcro Patch, please refer to the contact information provided on the packaging or the manufacturer's website.

Thank you for following these safety guidelines. Enjoy your new Velcro patch and show your ARFCOM pride!
