TORCH 3V/CR123 Light Body Safety Instructions

Introduction

Thank you for choosing the TORCH™ 3V/CR123 Light Body. This product is designed to enhance your lighting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Always follow local regulations and guidelines for the use of lighting devices.

Specific Safety Precautions for Use

- Do not expose the TORCH to extreme temperatures or moisture.
- Avoid direct contact with the light beam; it may cause eye injury.
- Ensure the product is securely attached to prevent accidental detachment during use.
- Do not modify the product in any way as this may compromise safety.
- Use only compatible accessories and components as specified by the manufacturer.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including the provided OEM Magpul MLOK hardware.
2. **Select Mounting Location:** Choose a location on your firearm or compatible device where the TORCH can be securely mounted.
3. **Attach MLOK Hardware:**
 - Align the TORCH with the MLOK slots on your device.
 - Insert the provided hardware into the MLOK slots and tighten securely.
4. **Check Stability:** Once installed, ensure the TORCH is stable and does not move.

Usage

1. **Power On:** Activate the TORCH by using the designated switch or button.
2. **Adjust Beam:** If applicable, adjust the beam focus according to your needs.
3. **Monitor Usage:** Keep an eye on the battery level and replace it as necessary.
4. **Power Off:** Always turn off the TORCH when not in use to conserve battery life.

Disposal Instructions

- Dispose of the TORCH responsibly in accordance with local regulations regarding electronic waste.
- Remove batteries before disposal and recycle them according to local guidelines.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For inquiries regarding safety, usage, or installation, please refer to the manufacturer's website or customer support resources.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your TORCH™ 3V/CR123 Light Body. Thank you for your attention to safety.
