Safety Instruction Guide for RUGER® PC CARBINE™ SIDE FOLDER CHASSIS

Introduction

Thank you for choosing the RUGER® PC CARBINE™ SIDE FOLDER CHASSIS by MIDWEST INDUSTRIES. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the chassis is compatible with the Ruger® PC Carbine™ Take Down models.
- Always handle firearms and related accessories with care and responsibility.
- Store this product in a secure location away from children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls or safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only the specified Ruger® PC Carbine™ Take Down models (9mm/40 cal) with this chassis.
- Do not attempt to use the chassis with AR grips that have beavertails.
- Ensure that the chassis is installed correctly to prevent any operational hazards.
- Always check that the factory iron sights are properly retained after installation.
- Use the provided tools and mounting hardware for installation to avoid compatibility issues.
- Avoid using the side folding stock/brace with this chassis, as it is not included.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and mounting hardware included with your chassis.
- Ensure that the Ruger® PC Carbine™ is unloaded and safe to handle.

2. Installation Steps:

- Remove the factory stock from the Ruger® PC Carbine™.
- Align the chassis with the receiver of the firearm.
- Securely attach the chassis using the provided mounting hardware.
- Ensure that the two antirotation QD sling sockets are properly installed.

3. PostInstallation Check:

- Confirm that the factory iron sights are retained and functioning correctly.
- Verify that the chassis allows for easy magazine changes.
- Test the stability of the chassis to ensure it is firmly attached.

4. Usage:

- When using the Ruger® PC Carbine™ with the installed chassis, maintain proper firearm handling practices.
- Regularly check the chassis during use to ensure it remains secure and functional.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations for metal recycling or waste disposal.
- Ensure that all components are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For additional support or inquiries regarding the RUGER® PC CARBINE™ SIDE FOLDER CHASSIS, please contact the manufacturer or visit their official website for more information.

By following these guidelines and safety instructions, you can ensure a safe and enjoyable experience with your RUGER® PC CARBINE™ SIDE FOLDER CHASSIS. Thank you for your attention to safety and responsible firearm ownership.
