## A Combination Hand Stop and Barrier Stop for Your Guns

Having a hand stop on your rifle aids in support-hand placement for consistent shooting, and it is especially necessary on today's short-barreled rifles and pistols to prevent a support hand from slipping in front of the muzzle. This hand stop features elements commonly found in barrier stops, too, including a textured surface that allows shooters to load their rifles onto a barrier for a more stable shooting position. The hand stop attaches to any M-LOK handguard.

# Safety Instruction Guide for the Forward Handstop with Barrier Stop MLOK

## Introduction

Thank you for choosing the Forward Handstop with Barrier Stop MLOK from Knights Armament. This product is designed to enhance your shooting experience by providing a stable grip and preventing your support hand from slipping. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the handstop is securely attached to the MLOK handguard before use.
- Regularly inspect the handstop for any signs of wear or damage.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not use the handstop as a forward grip for pushing against barriers unless you are trained in proper shooting techniques.
- Ensure that your support hand is positioned behind the muzzle at all times to avoid injury.
- Use the textured surface of the handstop to stabilize your rifle when resting on a barrier.
- Avoid using the handstop in conditions that may compromise grip, such as wet or oily hands.
- Always wear appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare the Handguard:

- Ensure that the MLOK handguard is clean and free from debris.

#### 2. Align the Handstop:

- Position the handstop over the desired MLOK slot on the handguard.

#### 3. Secure the Handstop:

- Insert the included screws through the handstop into the MLOK slots.
- Tighten the screws using the appropriate tool until the handstop is securely fastened.

### Usage

#### 1. Positioning:

- Place your support hand on the handstop, ensuring your fingers are wrapped securely around it.

#### 2. Stabilizing:

- When using a barrier, rest the handstop on the surface to maintain a stable shooting position.

### 3. Shooting:

- Ensure that your support hand remains behind the muzzle while shooting.
- Maintain a firm grip on the handstop for better control of the firearm.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of the product in fire or water bodies.
- If the product is damaged beyond use, ensure that it is disposed of in a manner that prevents any potential hazards.

## Contact Information for Further Support

For questions regarding safety, installation, and usage, please contact the manufacturer or your local dealer. Ensure that you have the product details ready for reference.

Thank you for prioritizing safety while using the Forward Handstop with Barrier Stop MLOK. Your adherence to these guidelines helps ensure a safe shooting experience.
