MOD 1 EER Scope Mount Safety Instructions

Introduction

Thank you for choosing the MOD 1 EER Scope Mount Assembly by Knights Armament. This guide provides essential safety instructions to ensure the safe use and installation of your scope mount. Please read this guide carefully before use to prevent accidents and ensure optimal performance.

General Safety Guidelines

- Ensure that the scope mount is compatible with your day optics before installation.
- Always inspect the scope mount for any signs of damage or wear before use.
- Use the scope mount only for its intended purpose as specified in this manual.
- Keep the scope mount out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use caution when handling the scope mount to avoid injury from sharp edges.
- Ensure that the scope mount is securely attached to your optics and firearm before use.
- Avoid using the scope mount in extreme environmental conditions that may affect its performance.
- Do not exceed the weight limit of 7.4 ounces for the scope mount.
- Be aware of your surroundings and ensure a safe shooting environment when using your firearm.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench.
- Ensure that your firearm is unloaded and pointed in a safe direction.

2. Installation:

- Place the MOD 1 EER Scope Mount on the designated mounting area of your firearm.
- Align the mount with the mounting holes, ensuring a secure fit.
- Use the appropriate screws to attach the scope mount. Tighten screws to the manufacturer's recommended torque specifications.
- Verify that the mount is securely fastened by gently tugging on it.

3. Mounting the Scope:

- Place your day optics with a 30mm main tube onto the mount.
- Adjust the position of the scope for optimal eye relief, ensuring a comfortable shooting position.
- Securely tighten the scope rings using the provided screws, following the manufacturer's guidelines.

4. Final Check:

- Inspect the installation to ensure that everything is secure and properly aligned.
- Perform a function check to ensure that the scope operates correctly with the mount.

Disposal Instructions

- Dispose of the MOD 1 EER Scope Mount Assembly in accordance with local regulations for electronic and mechanical waste.
- Do not dispose of the product in regular household waste. Instead, take it to a designated recycling facility.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for choosing Knights Armament. We wish you safe and enjoyable shooting experiences with your MOD 1 EER Scope Mount Assembly.
