[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## A KAC-Compatible Scope Cap Designed to Accept Accessories

VIPER PICATINNY SCOPE CAP MOUNTING ASSEMBLIES Whether it's a rangefinder, infrared light, laser or other accessory, there are many add-ons that today's shooters want mounted close to their optic, and the VIPER Picatinny Scope Cap makes it possible to place these units directly above an optic. The scope cap can be used on any KAC scope mount that accepts 30mm or 34mm scope tubes. A Picatinny-compatible mounting rail on the top of the cap accepts all compatible Picatinny-rail mounts on accessories.

# VIPER Picatinny Scope Cap Mounting Assemblies

## Safety Instruction Guide

### Introduction

Thank you for choosing the VIPER Picatinny Scope Cap Mounting Assemblies by Knights Armament. This product is designed to enhance your shooting experience by allowing you to securely mount various accessories directly above your optic. It is important to read and understand the safety instructions provided in this guide to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow the manufacturer's instructions when installing and using the product.
- Regularly inspect the mounting assemblies for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to accessory detachment, which can cause injury.
  - Using incompatible accessories may compromise safety and performance.
- **Avoiding Hazards:**
  - Always ensure that the scope cap is securely attached before use.
  - Do not exceed the weight limit specified for the mounting cap.
  - Ensure that all accessories mounted are compatible with Picatinny rails.
- **Age Specific Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction before beginning installation.
- Clean the area where the scope cap will be mounted to ensure a secure fit.
- Align the VIPER Picatinny Scope Cap with the mounting rail on your KAC scope mount.
- Securely tighten the clampon mechanism using the provided tools. Do not overtighten, as this may damage the cap or mount.

#### 2. Usage:

- After installation, check that the scope cap is firmly attached and that there is no movement.
- Attach your accessory to the Picatinny compatible rail on top of the scope cap.
- Ensure that the accessory is securely fastened and does not obstruct your view through the optic.
- Regularly check the tightness of the mounting assemblies during use and after transport.

### Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the VIPER Picatinny Scope Cap Mounting Assemblies, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the VIPER Picatinny Scope Cap!
