

VIPER PICATINNY SCOPE CAP MOUNTING ASSEMBLIES - 34MM

VIPER PICATINNY SCOPE CAP

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

A KAC-Compatible Scope Cap Designed to Accept Accessories

VIPER PICATINNY SCOPE CAP MOUNTING ASSEMBLIES Whether it's a rangefinder, infrared light, laser or other accessory, there are many add-ons that today's shooters want mounted close to their optic, and the VIPER Picatinny Scope Cap makes it possible to place these units directly above an optic. The scope cap can be used on any KAC scope mount that accepts 30mm or 34mm scope tubes. A Picatinny-compatible mounting rail on the top of the cap accepts all compatible Picatinny-rail mounts on accessories.

VIPER Picatinny Scope Cap Mounting Assemblies

Safety Instruction Guide

Introduction

Thank you for choosing the VIPER Picatinny Scope Cap Mounting Assemblies. This guide provides essential safety instructions to ensure the proper use and installation of your product. Following these guidelines will help you enjoy a safe and effective experience with your scope cap.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for any damage or wear before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Do not modify or alter the product in any way.
- Use only compatible accessories with the VIPER Picatinny Scope Cap.
- Familiarize yourself with the product's features and instructions before use.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to the accessory detaching during use, potentially causing injury.
- Using incompatible accessories may damage the scope cap or the optic.

- **Avoiding Hazards:**

- Always follow the installation instructions carefully.
- Ensure that all screws and mounts are securely tightened before use.
- Regularly check the mounting assembly for signs of wear or loosening.
- Do not exceed the recommended weight limit for accessories mounted on the cap.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Ensure that your KAC scope mount is clean and free from debris.
- Align the VIPER Picatinny Scope Cap with the scope mount.
- Secure the cap in place using the provided screws. Tighten them evenly to ensure a secure fit.
- Attach your compatible accessory to the Picatinnycompatible mounting rail on top of the cap.
- Doublecheck that all connections are secure before proceeding to use.

2. Usage:

- Once installed, check the stability of the accessory before each use.
- Avoid placing excessive weight on the mounted accessory.
- Use the accessory as intended, following the manufacturer's guidelines for that specific item.

Disposal Instructions

- When disposing of the product, follow local regulations for electronic waste and materials.
- Remove any batteries or electronic components before disposal.
- If the product is damaged beyond repair, ensure it is disposed of in an environmentally responsible manner.

Contact Information for Further Support

For any safety inquiries or concerns regarding the VIPER Picatinny Scope Cap, please refer to the official manufacturer's website or contact their customer support. Ensure you have the product information at hand for efficient assistance.

By following these guidelines, you will help ensure your safety and the effective use of the VIPER Picatinny Scope Cap Mounting Assemblies. Always stay informed about product safety and recalls by checking relevant platforms as needed. Thank you for your attention to safety!
